This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world’s books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that’s often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book’s long journey from the publisher to a library and finally to you.

Resolution of 22d of Sept. 1780—ib. ib.

With respect to this resolution, the following appears on the journals of Congress:

"Congress resumed the consideration of the report of the committee on the medical department, and, on the consideration of the following paragraph, viz:

"That the several officers, whose pay is established as above, except the clerks and stewards, shall, at the end of the war, be entitled to a certain provision of land, in the proportion following, to wit:

"The director to have the same quantity as a brigadier general; chief physicians and purveyor the same as a colonel; physicians and surgeons, and apothecary, the same as a lieutenant colonel; regimental surgeons and assistants to the purveyor and apothecary, the same as a major; hospital and regimental surgeons' mates, the same as a captain."

"A motion was made by Mr. Muhlenberg, seconded by Mr. Bland,

"To amend the paragraph, by inserting after the words "entitled to", the words following, viz: "half pay in the same proportion and under like restrictions as officers of the line."

"And on the question to agree to the amendment,

"It was resolved in the affirmative.

"On the question to agree to the paragraph, as amended;

"The yeas and nays were required, and

"It was resolved in the affirmative.

"Ordered, That the paragraph respecting the pay be re-committed."

And whereas, by the foregoing arrangement, many deserving officers must become supernumerary, and it is proper that regard be had to them:

Resolved, That from the time the reform of the army takes place, they be entitled to half pay for seven years, in specie or other current money equivalent, and also grants of land at the close of the war, agreeably to the resolution of the 16th of September, 1776.

And whereas Congress, by their resolutions of September 18th and 19th, in the year 1776, and the 12th of August, 1780, stipulated grants of land to certain officers and soldiers of the late continental army, and by the resolution of the 22d September, 1780, stipulated grants of land to certain officers in the hospital department of the late continental army; for complying, therefore, with such engagements, be it ordained, that the secretary of war, from the returns in his office, or such other sufficient evidence as the nature of the case may
admit, determine who are the objects of the above resolutions and engagements, and the quantity of land to which such persons or their representatives are, respectively, entitled, and cause the townships, and fractional parts of townships, herein before reserved for the use of the late continental army, to be drawn for in such manner as he shall deem expedient, to answer the purpose of an impartial distribution. He shall, from time to time, transmit certificates to the commissioners of the loan offices of the different states, to the lines of which the military claimants have respectively belonged, specifying the name and rank of the party, the terms of his engagement and time of his service, and the division, brigade, regiment or company, to which he belonged, the quantity of land he is entitled to, and the township or fractional part of a township and range out of which his portion is to be taken.

The commissioners of the loan offices shall execute deeds for such undivided proportions, in manner and form herein before mentioned, varying only in such a degree as to make the same conformable to the certificate from the secretary of war.

Where any military claimants of bounty in lands shall not have belonged to the line of any particular state, similar certificates shall be sent to the board of treasury, who shall execute deeds to the parties for the same.

The secretary of war, from the proper returns, shall transmit to the board of treasury a certificate, specifying the name and rank of the several claimants of the hospital department of the late continental army, together with the quantity of land each claimant is entitled to, and the township or fractional part of a township and range out of which his portion is to be taken; and thereupon the board of treasury shall proceed to execute deeds to such claimants.

The board of treasury, and the commissioners of the loan offices in the states, shall, within eighteen months, return receipts to the secretary of war, for all deeds which have been delivered, as also all the original deeds which remain in their hands for want of applicants, having been first recorded; which deeds, so returned, shall be preserved in the office, until the parties or their representatives require the same.

[Supplement to the ordinance for ascertaining the mode of disposing of lands in the Western territory—1 v. L. U. S. p. 570.]

The surveyors, as they are respectively qualified, shall proceed to divide the said territory into townships of six miles square, by lines running due north and south, and others crossing these at right angles, as near as may be, unless the boundaries of the late Indian purchases may render the same impracticable, and then they shall depart from this rule no farther than such particular circumstances may require. And each surveyor shall be allowed and paid at the rate of two dollars for every mile in length he shall run, including the wages of chain carriers, markers, and every other expense attending the same.

The first line running north and south as aforesaid, shall begin on the river Ohio, at a point that shall be found to be due north from the western termination of a line which has been run as the southern boundary of the state of Pennsylvania. And the first line running east and west, shall begin at the same point, and shall extend throughout the whole territory. The plats of the townships, respectively, shall be marked, by sub-divisions, into lots of one mile square, or 640 acres, in the same direction as the external lines, and numbered from 1 to 36; always beginning the succeeding range of the lots with the number next to that with which the preceding one concluded. And where, from the causes before mentioned, only a fractional part of a township shall be surveyed, the lots protracted thereon shall bear the same numbers as if the township had been entire. And the surveyors, in running the external lines of the townships, shall, at the interval of every mile, mark corners for the lots which are adjacent, always designating the same in a different manner from those of the townships.

The board of treasury shall transmit a copy of the original plats, previously noting thereon the townships and fractional parts of townships, which shall have fallen to the several states, by the distribution aforesaid, to the commissioners of the loan office of the several states, who, after giving notice of not less than two, nor more than six months, by causing advertisements to be posted up at the court houses or other noted places in every county, and to be inserted in one newspaper published in the states of their residence, respectively; shall proceed to sell the townships or fractional parts of townships, at public vendue, in the following manner, viz: the township or fractional part of a township No. 1, in the first range, shall be sold entire; and No. 2, in the same range, by lots; and thus, in alternate order, through the whole of the first range. The township or fractional part of a township No. 1, in the second range, shall be sold by lots; and No. 2, in the same range, entire; and so, in alternate order, through the whole of the second range; and the third range shall be sold in the same manner as the first, and the fourth in the same manner as the second; and thus, alternately, throughout all the ranges: Provided, That none of the lands within the said territory be sold under the price of one dollar the acre, to be paid in specie or loan office certificates, reduced to specie value by the scale of depreciation, or certificates of liquidated debts of the United States, including interest, besides the expense of the survey and other charges thereon, which are hereby rated at thirty-six dollars the township, in specie or certificates as aforesaid, and so, in the same proportion, for a fractional part of a township or of a lot, to be paid at the time of sales, on failure of which payment the said lands shall again be offered for sale.

There shall be reserved for the United States out of every township, the four lots, being numbered 8, 11, 26, 29, and out of every fractional part of a township, so many lots
of the same numbers as shall be found thereon, for future sale. There shall be reserved the lot No. 16, of every township, for the maintenance of public schools within the said township; also, one-third part of all gold, silver, lead, and copper, mines, to be sold, or otherwise disposed of, as Congress shall hereafter direct.

[In Congress, July 23, 1787, 1 v. L. U. S. p. 573.]

The lot No. 16, in each township or fractional part of a township, to be given perpetually for the purposes contained in the said ordinance. The lot No. 29, in each township or fractional part of a township, to be given perpetually for the purposes of religion. The lots Nos. 8, 11, and 26, in each township, or fractional part of a township, to be reserved for the future disposition of Congress. Not more than two complete townships to be given perpetually for the purposes of an University, to be laid off by the purchaser or purchasers, as near the centre as may be, so that the same shall be of good land, to be applied to the intended object by the legislature of the state. And in making payment the principal only of the said certificates shall be admitted, and the board of treasury, for such interest as may be due on the certificates rendered in payment as aforesaid, prior to January 1, 1786, shall issue indents for interest to the possessors, which shall be receivable in payment as other indents for interest of the existing requisitions of Congress; and for such interest as may be due on the said certificates between that period and the period of payment, the said board shall issue indents, the payment of which to be provided for in future requisitions, or otherwise. Such of the purchasers as may possess rights for bounties of land to the late army, to be permitted to render the same in discharge of the contract acre for acre: Provided, that the aggregate of such rights shall not exceed one-seventh part of the land to be paid for: And provided also, that there shall be no future claim against the United States on account of the said rights. Not less than 500,000 dollars of the purchase money to be paid down upon closing of the contract, and the remainder upon the completion of the work to be performed by the geographer or other officer on the part of the United States. The grant to be made upon the full payment of the consideration money, and a right of entry and occupancy to be acquired immediately for so much of the tract as shall be agreed upon between the board of treasury and the purchasers.

Ordered, That the above be referred to the board of treasury to take order.

[Letter of Cutler and Sargent to the board of treasury, dated New-York, July 26, 1787, 1 v. L. U. S. p. 491.]

We observe by the act of the 23d instant, that your honorable board is authorized to enter into a contract for the sale of a tract of land therein described, on certain conditions expressed in the act. As we suppose this measure has been adopted in consequence of proposals made by us in behalf of ourselves and associates, to a committee of Congress, we beg leave to inform you that we are ready to enter into a contract for the purchase of the lands described in the act, pro:
vided you can conceive yourselves authorized to admit of the Propositions following conditions, which, in some degree, vary from the of C. & S. report of the committee, viz:

The subordinate surveys shall be completed as mentioned in the act, unless the frequency of Indian irruptions may render the same impracticable without a heavy expense to the company.

The mode of payment we propose is, half a million of dollars when the contract is executed; another half a million, when the tract, as described, is surveyed by the proper officer of the United States; and the remainder in six equal payments, computed from the date of the second payment.

The lands assigned for the establishment of a University, to be nearly as possible in the centre of the first million and a half of acres we shall pay for; for to fix it in the centre of the proposed purchase, might too long defer the establishment.

When the second payment is made, the purchasers shall receive a deed for as great a quantity of land as a million of dollars will pay for, at the price agreed on; after which we will agree not to receive any further deeds for any of the lands purchased, only at such periods, and on such conditions, as may be agreed on betwixt the board and the purchasers.

As to the security, which the act says shall be good and sufficient, we are unable to determine what those terms may mean, in the contemplation of Congress, or of your honorable board; we shall, therefore, only observe, that our private fortunes, and that of most of our associates, being embarked in the support of the purchase, it is not possible for us to offer any adequate security, but that of the land itself, as is usual in great land purchases.

We will agree so to regulate the contract that we shall never be entitled to a right of entry or occupancy, but on lands actually paid for, nor receive any deeds till our payments amount to a million of dollars, and then only in proportion to such payment. The advance we shall always be funder, without any formal deed, together with the improvements made on the lands, will, we presume, be ample security, even if it was not the interest as well as the disposition of the company to lay the foundation of their establishment on a sacred regard to the rights of property.

If these terms are admitted, we shall be ready to conclude the contract.

[Resolution of 27th July, 1787, 1 v. L. U. S. p. 574.]

That, for the purpose of ascertaining the quantity, and providing for the sale of the lands belonging to the United States, within the limits of a tract of one hundred thousand acres, granted to Rufus Putnam, Manasseh Cutler, Robert Oliver, and Griffin Green, in trust for the persons composing the Ohio Company of Associates, in pursuance of the third section of an act, entitled "An act authorizing the grant and conveyance of certain lands to the Ohio Company of Associates," passed on the twenty-first of April, seventeen hundred and ninety-two, it shall be the duty of the surveyor general, and he is hereby authorized, to require of the said Rufus Putnam, and other surviving patentees, in trust as aforesaid, to make a report to him of the quantity and situation of the lands by them conveyed, as bounties, to actual settlers, according to the conditions of the said third section and grant aforesaid; and also, a duly attested copy of the field notes and plat of the surveys of the lands by them conveyed to actual settlers as aforesaid. And the surveyor general, on receiving a satisfactory report of the quantity and situation of the lands so conveyed, shall cause the residue of the lands within the said tract to be surveyed in the same manner as the other public lands; or, if he shall deem it more convenient into tracts of one hundred acres, conforming, as far as practicable, to the plan on which lots granted to actual settlers were laid off; and he shall make return of

The said lands, in the said respective tracts, with the exception of the usual proportion for the support of schools, shall be offered for sale to the highest bidder, under the direction of the register of the land office and the receiver of public moneys for the said districts, on such days respectively, as shall, by proclamation of the President, be designated for that purpose; the sales at each place shall remain open six days, and no longer; the lands shall not be sold for less than two dollars an acre; and shall in every other respect, both as to public and private sales, be sold on the same terms and conditions as other public lands in the same districts; and patents shall be obtained in the manner, and on the terms, provided in case of other public lands sold by the United States.
That your petitioner, encouraged by the resolutions of Congress of the 23d and 27th of July last, stipulating the condition of a transfer of federal lands on the Scioto and Muskingum rivers, unto Winthrop Sargent and Manasseh Cutler, esquires, and their associates, of New England, is induced, on behalf of the citizens of the United States, westward of Connecticut, who also wish to become purchasers of federal lands, to pray that the honorable the Congress will be pleased to direct that a contract be made by the honorable the commissioners of the treasury board, with your petitioner, for himself and his associates, in all respects similar in form and matter to the said grant made to Messrs. Sargent and Cutler, differing only in quantity and place where, and instead of two townships for the use of an University, that one only be assigned for the benefit of an academy.

That by such transfer to your petitioner and his associates, on their complying with the terms of sale, the fee may pass of all the lands lying within the following limits, viz: beginning at the mouth of the Great Miami river; thence, running up the Ohio, to the mouth of the Little Miami river; thence, up the main stream of the Little Miami river, to the place where a due west line, to be continued from the western termination of the northern boundary line of the grant to Messrs. board of treasury and the said John Cleves Symmes, for the tract made sale of a tract of land of one million of acres, in such manner that the said tract may extend from the mouth of the Great Miami to the mouth of the Little Miami, and be bounded by the river Ohio on the south, by the Great Miami on the west, by the Little Miami on the east, and by a parallel of latitude on the north extending from the Great Miami to the Little Miami, so as to comprehend the proposed quantity of one million of acres: Provided, That the northern limits of the said tract shall not interfere with the boundary line established by the treaty of Fort Harmar, between the United States and the Indian nations: And provided, also, That the President reserve to the United States, such lands at and near fort Washington as he may think necessary for the accommodation of a garrison at that fort.*

[Application of J. C. Symmes for alteration of boundary, &c. 1 v. L. U. S. p. 495.]

Be it known unto all men by these presents, that whereas, in pursuance of certain resolutions of the United States cited in Congress assembled, bearing date respectively the twenty-third and twenty-seventh days of July, and the twenty-third day of October, one thousand seven hundred and eighty-seven, or some of them, a contract was duly made and executed between Samuel Osgood, Walter Livingston, and Arthur Lee, esquires, commissioners of the board of treasury of the United States, of the first part, Jonathan Dayton and Daniel Marsh, esquires, of the second part, and John C. Symmes, esquire, for the third part, for the purchase and grant of a certain tract of land in the western country, adjoining the river Ohio, beginning on the bank of the same river, at a spot exactly twenty miles distant along the several courses of the same, from the place where the Great Miami empties itself into the said river Ohio; from thence, extending down the said river Ohio, along the several courses thereof to the Great Miami river; thence, up the said river Miami, along the several courses thereof, to a place whence a line drawn due east, will intersect a line drawn from the place of beginning aforesaid, parallel with the general course of the Great Miami river, so as to include one million of acres within these lines and the said rivers; and from that place upon the said Great Miami river, extending along such lines to the place of beginning, containing, as aforesaid, one million of acres, to be granted to

*The tract of land designated by this act, is bounded on the north by a parallel of latitude, extending from the most northerly source of the Little Miami to the Great Miami, and is usually called "Ludlow's survey."
the said John Cleves Symmes and his associates, their heirs, and assigns, upon certain terms and conditions, as in and by the said contract, bearing date the fifteenth day of May, one thousand seven hundred and eighty-eight, reference being thereunto had, will fully appear.

And whereas, by an act of the Congress of the United States, bearing date the twelfth day of April, one thousand seven hundred and ninety-two, entitled "An act for ascertaining the bounds of a tract of land purchased by John Cleves Symmes," the President of the United States was authorized, at the request of the said John Cleves Symmes, to alter the said contract, made between the said late board of treasury, and the said John Cleves Symmes, in such manner that the said tract may extend from the mouth of the Great Miami to the mouth of the Little Miami, and be bounded by the river Ohio on the south, by the Great Miami on the west, by the Little Miami on the east, and by a parallel of latitude on the north, extending from the Great Miami to the Little Miami, so as to comprehend the proposed quantity of one million of acres: Provided, That the northern limits of the said tract shall not interfere with the boundary line established by the treaty of fort Harmar, between the United States and the Indian nations: And provided also, That the President reserve to the United States such lands at and near fort Washington, as he may think necessary for the accommodation of a garrison at that fort, as in and by the said act, reference thereunto had, will fully appear. Now these presents witness, that I, the said J. C. Symmes, have requested, and hereby do request, the President of the United States, that the said contract, so as aforesaid made by the said commissioners of the late board of treasury, on behalf of the said United States, on the one part, and of the said John Cleves Symmes, by my said agents Jonathan Dayton, and Daniel Marsh, on behalf of myself and my associates, of the other part, be altered, so as to include only the last mentioned tract, bounded, and described, as in the said act of the Congress aforesaid, subject to the same conditions and with the same limitations, as in the said contract and act of Congress are expressed, is set forth; and also, subject to the reservation of the quantity of fifteen acres, being for the accommodation of fort Washington and the garrison thereof, and including the said fort in such part of the said tract, as the President of the United States shall find convenient and suitable for military purposes, and shall cause to be located therefor, and further subject to the reservation of one mile square, at or within four miles of the mouth of the Great Miami, to be located by such person as the President of the United States shall appoint for that purpose: Provided, That a law be passed, within the space of two years from the date of these presents, to authorize the last mentioned reservation and location; and
that the President of the United States shall appoint a person to make such location within the space of one year after such law shall be passed: And provided also, That the same law shall authorize the President to make, and the President shall make and execute to the said John Cleves Symmes and his associates, his and their heirs, within the last mentioned term of one year, a grant and a release of the aforesaid fifteen acres reserved for the use and accommodation of fort Washington and the garrison thereof; and I do hereby, for quit claim to myself and my associates, and our heirs, remise, remit, and quit claim, unto the said United States, all right, title, interest, claim and demand whatever, in and to so much of the lands contained and included within the bounds and limits described in the said first mentioned contract, as is not contained, meant, and intended to be contained and included, within the bounds and limits secondly above mentioned.

[Act of May 5th, 1792, 2 d. L. U. S. p. 287.]

Sec. 1. That the President of the United States be, and he hereby is, authorized and empowered to issue letters patent, in the name and under the seal of the United States, thereby granting and conveying to John Cleves Symmes and his associates, and to their heirs and assigns, in fee simple, such number of acres of land as the payments already made by the said John Cleves Symmes, his agents, or associates, under their contract of the fifteenth day of October, one thousand seven hundred and eighty-eight, will pay for, estimating the lands at two-thirds of a dollar per acre, and making the reservations specified in the said contract.

Sec. 2. That the president be, and he hereby is, further authorized and empowered, by letters patent as aforesaid, to grant and convey to the said John Cleves Symmes, and his associates, and to their heirs and assigns, in fee simple, one other tract of one hundred and six thousand eight hundred and fifty-seven acres, with the reservations as aforesaid: Provided, That the said John Cleves Symmes, or his agents, or associates, or any of them, shall deliver to the secretary of the treasury, within six months, warrants which issued for army bounty rights, sufficient for that purpose, according to the provision of the resolves of Congress of the twenty-third of July, and second of October, one thousand seven hundred and eighty-seven; but in case so many warrants should not be delivered, then the letters patent, last aforesaid, to be given for such number of acres as shall be in proportion to the warrants so delivered.

Sec. 3. That the president be, and he is hereby, authorized and empowered, by letters patent as aforesaid, to grant

and convey unto the said John Cleves Symmes, and his associates, their heirs and assigns, in trust, for the purpose of establishing an academy, and other public schools and seminaries of learning, one complete township, conformably to an order of Congress of the second of October, one thousand seven hundred and eighty-seven, made in consequence of the application of the said John Cleves Symmes, for the purchase of the tract aforesaid.

Sec. 4 That the several quantities of land, to be granted and conveyed as aforesaid, shall be included and located within such limits and lines of boundary as the President may judge expedient, agreeably to an act passed the twelfth day of April, one thousand seven hundred and ninety-two, "for ascertaining the bounds of a tract of land purchased by John Cleves Symmes."

[John Cleves Symmes' Patent, 1 v. L. U. S. p. 497.]

Know ye, that whereas it appears to me, George Washington, President of the said United States, that John Cleves Symmes, in behalf of himself and his associates, in pursuance of a contract made and executed on the fifteenth day of October, one thousand seven hundred and eighty-eight, between Arthur Lee, Walter Livingston, and Samuel Osgood, commissioners of the board of treasury, and Jonathan Dayton and Daniel Marsh, and the said John Cleves Symmes, hath paid into the treasury of the United States the sum of one hundred and sixty-five thousand six hundred and ninety-three dollars and forty-two cents, in certificates and warrants for military rights to lands: whereby, and by virtue of the act of the Congress of the United States, entitled "An act authorizing the grant and conveyance of certain lands to John Cleves Symmes, and his associates," passed the fifth day of May, one thousand seven hundred and ninety-two, the said John Cleves Symmes, and his associates, are become entitled to receive from the United States letters patent, granting and conveying to him and them, two hundred and forty-eight thousand five hundred and forty acres of land: And whereas, in and by the said contract, it was stipulated and agreed, by and between the said Arthur Lee, Walter Livingston, and Samuel Osgood, commissioners on the part of the United States, and the said Jonathan Dayton and Daniel Marsh, and the said John Cleves Symmes, that out of each township, which should fall within the grant to be made to the said John Cleves Symmes, and his associates, a reservation should be made to the United States, of the four lots, marked 8, 11, 26 and 29, for such purposes as shall, by the Congress of the United States, be directed; and lot No. 16, for the mainte-
nance of public schools, the same being pursuant to the regu-
lations contained in an ordinance of the United States in
Congress assembled, bearing date the twentieth day of
May, one thousand seven hundred and eighty-five: And
whereas, in and by the aforesaid act of Congress of the United
States, passed the fifth day of May, one thousand seven hun-
dred and ninety-two, the president of the United States
was authorized and empowered by letters patent, to grant
and convey unto the said John Cleves Symmes, and his asso-
ciates, their heirs, and assigns, in trust for the purpose of estab-
lishing an academy, and other public schools and seminaries of
learning, one complete township, conformably to an order of
Congress, made the second day of October, one thousand
seven hundred and eighty-seven: And whereas, it appears
expedient to reserve to the United States, out of the tract of
land hereby intended to be granted, the quantity of fifteen
acres of land, for the accommodation of fort Washington and
the garrison thereof, including the said fort; and also, a
quantity of land equal to one mile square, at or near the
mouth of the Great Miami river, to be located as hereafter
mentioned.

Now these presents testify, that I, the said George Wash-
ington, President of the United States, in the name and by the
authority of the said United States, in consideration of the
premises, in pursuance of the said act of the Congress of the
United States, passed the fifth day of May, 1792, and by virtue
of the authority thereby in me reposed, have granted and con-
firmed, and by these presents do grant and confirm, unto the
said John Cleves Symmes, and his associates, and to his and
their heirs and assigns, all that tract of land, beginning at the
mouth of the Great Miami river; and extending from thence,
along the river Ohio, to the mouth of the Little Miami river,
bounded on the south by the said river Ohio, on the west by
the said Great Miami river, on the east by the said Little river
Miami, and the north by a parallel of latitude, to be run
from the said Great Miami river to the said Little Miami
river, so as to comprehend the quantity of three hundred and
eleven thousand six hundred and eighty-two acres of land,
with the appurtenances, reserving to the United States, out
of the said tract, the quantity of fifteen acres of land, for the
accommodation of fort Washington and the garrison thereof,
including the space of ground occupied by the said fort, to
be located in such part of the said tract, and by such person,
as the President of the United States shall direct; and also,
reserving out of the said tract, a quantity of land equal to one
mile square, at or near the mouth of the said Great Miami
river, to be located by such person as the President of the
United States shall appoint for that purpose: Provided, Provis-
That a law be passed by the Congress of the United
States to authorize the same, within the space of two years

He shall file the receipt for monies produced by the party, and give him a copy of his entry, and, if required, a copy of the description of the tract, and a copy of the plat of the same, or either of them; and it shall be his duty to inform the party applying for any one tract, whether the same has already been entered, purchased, or paid for, and, at his request, to give him a copy of the entry or entries concerning the same. He shall, three months after the date of each application, if the party shall not have within that time produced to him a receipt of the payment of one-fourth part of the purchase money, including the twentieth part above mentioned, enter, under its proper date, in the said book of entries, that the payment has not been made, and the land has reverted to the United States, and he shall make a note of the same in the margin of the book opposite to the original entry. And if the party shall, either at the time of making the original entry, or at any time within three months thereafter, produce a receipt to him, for the fourth part of the purchase money, including the twentieth part aforesaid, he shall file the receipt, make an entry of the same, under its proper date, in the said book of entries, make a note of the same in the margin of the book, opposite to the original entry, and give to the party a certificate, describing the land sold, the sum paid on account, the balance remaining due, the time and times when such balance shall become due, and that if it shall be duly discharged, the purchaser, or his assignee, or other legal representative, shall be entitled to a patent for the said lands; he shall, also, upon any subsequent payment being made, and a re-
ceipt from the receiver being produced to him, file the original receipt, give a receipt for the same to the party, and enter the same to the credit of the party, in a book kept for that purpose, in which he shall open an account in the name of each purchaser, for each section or half section that may be sold, either at public or private sale, and in which he shall charge the party for the whole purchase money, and give him credit for all his payments; making the proper charges and allowances for interest or discount, as the case may be, according to the provisions of the fourth section of this act; and upon the payment being completed and the account finally settled, he shall give a certificate of the same to the party; and on producing, to the secretary of the treasury, the same final certificate, the President of the United States is hereby authorized to grant a patent for the lands to the said purchaser, his heirs or assigns; and all patents shall be countersigned by the secretary of state, and recorded in his office.

Sec. 8. That the registers of the land offices, respectively, shall also note, on the book of surveys, or original plat transmitted to them, every tract which may be sold, by inserting the letter A on the day when the same is applied for, and the letter P on the day when a receipt for one-fourth part of the purchase money is produced to them, and by crossing the said letter A on the day when the land shall revert to the United States, on failure of the payment of one-fourth part of the purchase money, within three months after the date of application. And the said book of surveys, or original plat, shall be open, at all times, in presence of the register, for the inspection of any individual applying for the same and paying the proper fee.

Sec. 9. That it shall be the duty of the registers of the land offices to transmit, quarterly, to the secretary of the treasury, and to the surveyor-general, an account of the several tracts applied for, of the several tracts for which the payment of one-fourth part of the purchase money has been made, of the several tracts which have reverted to the United States on failure of the said payment; and also, an account of all the payments of monies by them entered, according to the receipts produced to them, specifying the sums of money, the names of the persons paying the same, the names of the officers who have received the same, and the tracts for which the same have been paid.

Sec. 10. That the registers aforesaid shall be precluded from entering on their books any application for lands in their own name, and in the name of any other in trust for them; and if any register shall wish to purchase any tract of land, he may do it by application in writing to the surveyor general, who shall enter the same on books kept for that purpose by him, who shall proceed in respect to such applications, and to any payments made for the same, in the
same manner, which the registers by this act are directed to follow, in respect to applications made to them for lands by other persons. The registers shall, nevertheless, note on the book of surveys, or original plat, the applications and payments thus by them made, and their right to the pre-emption of any tract, shall bear date from the day when their application for the same shall have been entered by the surveyor general in his own book. And if any person applying for any tract shall, notwithstanding he shall have received information from the register that the same has already been applied for by the said register, or by any other person, insist to make the application, it shall be the duty of the register to enter the same, noting in the margin that the same tract is already purchased; but upon application of the party, made in writing, and which he shall file, he may and shall, at any future time, enter under its proper date, that the party withdraws his former application, and applies in lieu thereof for any other tract: Provided always, That the party shall never be allowed thus to withdraw his former application, and to apply in lieu thereof for another tract, except when the tract described in his former application shall have been applied for previous to the date of that his former application.

Sec. 11. That the secretary of the treasury shall and may prescribe such further regulations, in the manner of keeping books and accounts, by the several officers in this act mentioned, as to him may appear necessary and proper, in order fully to carry into effect the provisions of this act.

Sec. 12. That the registers of the land offices, respectively, shall be entitled to receive from the treasury of the United States, one-half per cent, on all the moneys expressed in the receipts by them filed and entered, and of which they shall have transmitted an account to the secretary of the treasury, as directed by this act; and they shall further be entitled to receive, for their own use, from the respective parties, the following fees for services rendered, that is to say, for every original application for land, and a copy of the same, for a section, three dollars, for a half section, two dollars; for every certificate stating that the first fourth part of the purchase money is paid, twenty-five cents; for every subsequent receipt for monies paid, twenty-five cents; for the final settlement of account and giving the final certificate of the same, one dollar; for every copy, either of an application or of the description of any section or half section, or of the plat of the same, or of any entry made on their books, or of any certificate heretofore given by them, twenty-five cents for each; and for any general inspection of the book of surveys, or general plat, made in their presence, twenty-five cents.

Sec. 5. That all the unappropriated lands within the Unappropriated Military Tract, shall be surveyed into half sections, in the manner directed by the act, entitled "An act to amend the Military Tract to be act, entitled "An act providing for the sale of the lands of the United States in the territory northwest of the Ohio, and above the mouth of Kentucky river," and that so much of the said lands as lie west of the eleventh range, within the said tract, shall be attached to, and make a part of, the district of Chillicothe, and be offered for sale at that place,

under the same regulations that other lands are within the said district.

Sec. 6. That the lands within the said eleventh range, and east of it, within the said Military Tract, and all the lands north of the Ohio Company's Purchase, west of the seven first ranges, and east of the district of Chillicothe, shall be offered for sale at Zanesville, under the direction of a register of the land office, and receiver of public monies, to be appointed for that purpose, who shall reside at that place, and shall perform the same duties, and be allowed the same emoluments, as are prescribed for, and allowed to, registers and receivers of the land offices by law.

[Act of 26th March, 1804, 3 v. L. U. S. p. 600.]

Sec. 9. That fractional sections of the public lands of the United States, either north of the river Ohio, or south of the state of Tennessee, shall, under the directions of the secretary of the treasury, be either sold singly, or by uniting two or more together, any act to the contrary notwithstanding: Provided, That no fractional sections shall be sold in that manner until after they shall have been offered for sale to the highest bidder, in the manner herein after directed.

Sec. 10. That all the public lands of the United States, the sale of which is authorized by law, may, after they shall have been offered for sale to the highest bidder in quarter sections, as herein after directed, be purchased, at the option of the purchaser, either in entire sections, in half sections, or in quarters sections; in which two last cases the sections shall be divided into half sections by lines running due north and south, and the half sections shall be divided into quarter sections by lines running due east and west. And in every instance in which a subdivision of the lands of the United States, as surveyed in conformity with law, shall be necessary to ascertain the boundaries or true contents of the tract purchased, the same shall be done at the expense of the purchaser.

Sec. 11. That no interest shall be charged on any instalment which may hereafter become due, in payment for any of the public lands of the United States, wherever situated, and which have been sold in pursuance of the act, entitled "An act to amend the act, entitled "An act providing for the sale of the lands of the United States in the territory northwest of the Ohio and above the mouth of Kentucky river," or which may hereafter be sold by virtue of that, or of any other, act of Congress: Provided, That such instalments shall

be paid on the day on which the same shall become due; but the interest shall be charged and demanded in conformity with the provisions heretofore in force, from the date of the purchase on each instalment which shall not be paid on the day on which the same shall become due: Provided, however, that on the instalments which are or may become due before the first day of October next, interest shall not be charged, except from the time they became due until paid; but in failure to pay the said instalments on the said first day of October, interest shall be charged thereon, in conformity with the provisions heretofore in force, from the date of the purchase.

Sec. 12. That the sections which have been heretofore reserved, and are by this act directed to be sold; also, the fractional sections, classed as is by the ninth section of this act directed, and all the other lands of the United States, north of the Ohio and above the mouth of Kentucky river, shall be offered for sale in quarter sections, to the highest bidder, under the directions of the register of the land office, and of the receiver of public monies, at the places, respectively, where the land offices are kept, that is to say: the lands in the district of Chillicothe, on the first Monday of May; the lands in the district of Marietta, on the second Monday of May; the lands in the district of Zanesville, on the third Monday of May; the lands in the district of Steubenville, on the second Monday of June; and the lands in the district of Cincinnati, on the first Monday of September. The sales shall remain open at each place no longer than three weeks; the lands which may be thus sold, shall not be sold for less than two dollars per acre; and shall, in every other respect, be sold on the same terms and conditions, as is provided for the sale of lands sold at private sale. And all the other public lands of the United States, either north of the Ohio or south of the state of Tennessee, which are directed to be sold at public sale, shall be offered for sale to the highest bidder, in quarter sections.

Sec. 13. That whenever any of the public lands shall have been surveyed in the manner directed by law, they shall be divided by the secretary of the treasury into convenient surveying districts; and a deputy surveyor shall, with the approbation of the said secretary, be appointed by the surveyor general for each district, who shall take an oath or affirmation truly and faithfully to perform the duties of his office; and whose duty it shall be to run and mark such lines as may be necessary for sub-dividing the lands surveyed as aforesaid, by surveyors, into sections, half sections, or quarter sections, as the case may be; to ascertain the true contents of such sub-divisions; and to record, in a book to be kept for that purpose, the surveys thus made. The surveyor general shall furnish each deputy surveyor with a copy of the plat of the townships and...
fractional parts of townships contained in his district, describing the sub-divisions thereof, and the marks of the corners. Each deputy surveyor shall be entitled to receive from the purchaser of any tract of land, of which a line or lines shall have been run and marked by him, at the rate of three dollars for every mile thus surveyed and marked, before he shall deliver to him a copy of the plat of such tract, stating its contents. The fees payable by virtue of former laws for surveying expenses, shall, after the first day of July next, be no longer demandable from, and paid by, the purchasers. And no final certificate shall thereafter be given by the register of any land office to the purchaser of any tract of land, all the lines of which shall not have been run, and the contents ascertained by the surveyor general or his assistants, unless such purchaser shall lodge with the said register a plat of such tract, certified by the district surveyor.*

Sec. 14. That, from and after the first day of April next, each of the registers and receivers of public monies of the several land offices established by law, either north of the river Ohio, or south of the state of Tennessee, shall, in addition to the commission heretofore allowed, receive one-half per cent. on all the monies paid for public lands sold in their respective offices, and an annual salary of five hundred dollars, the register and receiver of the land office at Marietta excepted, the annual salary of whom shall be two hundred dollars. And from and after the same day, the fees payable by virtue of former laws, to the registers of the several land offices, for the entry of lands, and for certificates of monies paid, shall no longer be demandable from, nor paid by, the purchasers of public lands. And it shall be the duty of the secretary of the treasury to cause, at least once every year, the books of the officers of the land offices to be examined, and the balance of public monies in the hands of the several receivers of public monies of the said offices, to be ascertained.

Sec. 15. That, from and after the first day of April next, the fees heretofore payable for patents for lands shall no longer be paid by the purchasers. And it shall be the duty of every register of a land office, on application of the party, to transmit, by mail, to the register of the treasury, the final certificate granted by such register to the purchaser of any tract of land sold at his office: and it shall be the duty of the register of the treasury, on receiving any such certificate, to obtain and transmit, by mail, to the register of the proper land office, the patent to which such purchaser is entitled; but in every such instance, the party shall previously pay to the pro-

[Act of February 11th, 1805, 3 v. L. S. p. 637.]

Sec. 1. That the surveyor general shall cause all those lands in what
lands north of the river Ohio, which, by virtue of the act, entitled “An act providing for the sale of the lands of the United States in the territory northwest of the river Ohio, and above the mouth of the Kentucky river,” were subdivided, by running through the townships parallel lines, each way, at the end of every two miles, and by marking a corner on each of the said lines, at the end of every mile, to be subdivided into sections, by running straight lines, from the mile corners thus marked to the opposite corresponding corners, and by marking, on each of the said lines, intermediate corners, as nearly as possible equi-distant from the corners of the sections on the same. And the said surveyor general shall also cause the boundaries of all the half sections, which had been purchased previous to the first day of July last, and on which the surveying fees had been paid according to law by the purchaser, to be surveyed and marked, by running straight lines from the half-mile corners heretofore marked, to the opposite corresponding corners; and intermediate corners shall, at the same time, be marked on each of the said dividing lines, as nearly as possible equi-distant from the corners of the half section on the same line: Provided, That the whole expense of surveying and marking the lines shall not exceed three dollars for every mile which has not yet been surveyed, and which shall be actually run, surveyed, and marked, by virtue of this section. And the expense of making the sub-divisions directed by this section, shall be defrayed out of the monies appropriated, or which may be hereafter appropriated, for completing the surveys of the public lands of the United States.

Sec. 2. That the boundaries and contents of the several sections, half sections, and quarter sections of the public lands of the United States, shall be ascertained in conformity with the following principles, any act or acts to the contrary notwithstanding:

1st. All the corners marked in the surveys, returned by the surveyor general, or by the surveyor of the land south of the state of Tennessee, respectively, shall be established as the proper corners of sections or sub-divisions of sections, which they were intended to designate; and the corners of

half and quarter sections, not marked on the said surveys, shall be placed as nearly as possible equi-distant from those two corners which stand on the same line.

2d. The boundary lines, actually run and marked in the surveys returned by the surveyor general, or by the surveyor of the land south of the state of Tennessee, respectively, shall be established as the proper boundary lines of the sections or sub-divisions, for which they were intended; and the length of such lines, as returned by either of the surveyors aforesaid, shall be held and considered as the true length thereof. And the boundary lines, which shall not have been actually run and marked as aforesaid, shall be ascertained, by running straight lines, from the established corners to the opposite corresponding corners; but in those portions of the fractional townships, when no such opposite corresponding corners have been or can be fixed, the said boundary lines shall be ascertained by running, from the established corners, due north and south, or east and west, lines, as the case may be, to the water course, Indian boundary line, or other external boundary of such fractional township.

3d. Each section, or sub-division of section, the contents whereof shall have been, or, by virtue of the first section of this act, shall be returned by the surveyor general, or by the surveyor of the public lands south of the state of Tennessee, respectively, shall be held and considered as containing the exact quantity expressed in such return or returns: and the half sections and quarter sections, the contents whereof shall not have been thus returned, shall be held and considered as containing the one-half, or the one-fourth, part, respectively, of the returned contents of the section of which they make part.

Sec. 3. That so much of the act, entitled "An act making provision for the disposal of the lands in the Indiana territory, and for other purposes," as provides the mode of ascertaining the true contents of sections, or sub-divisions of sections, and prevents the issue of final certificates, unless the said contents shall have been ascertained, and a plot, certified by the district surveyor, lodged with the register, be, and the same is hereby, repealed.

That, for the disposal of a certain tract or lot of land, belonging to the United States, in the town of Cincinnati, on the Ohio, being the same on which Fort Washington was erected, the secretary of the treasury shall cause the said tract to be surveyed and laid off into town lots, streets, and avenues, in such manner, and of such dimensions, as he may
Judge proper, conforming, as near as may be, to the original plan of the town: when the survey is completed, a plat there-of shall be returned to the surveyor general, on which the lots shall be denominated by progressive numbers, which shall therefrom cause two copies to be made, one to be transmitted to the secretary of the treasury, and the other to the register of the land office at Cincinnati: on the receipt of which plat the secretary of the treasury shall cause the said town lots to be offered to the highest bidder at public sale, to be held at Cincinnati, under the superintendence of the register and receiver of the land office in the district of Cincinnati, on the same terms and conditions as have been provided for the public sale of the public lands of the United States. Six weeks notice shall be given of the day of sale, in at least two newspapers published in the state of Ohio.

Sec. 1. That for the disposal of the lands of the United States, situated between the United States Military Tract established and the Connecticut Reserve, a land office shall be established, which shall be kept at such place as the President of the United States may direct: and that, for the disposal of the lands of the United States lying on the Ohio river, between the Cincinnati and Vincennes districts, a land office shall be established at Jeffersonville: and for each of the said offices a register and receiver of public monies shall be appointed, who shall give security in the same manner, in the same sums, and whose compensation, emoluments, duties, and authority, shall, in every respect, be the same, in relation to the lands which shall be disposed of at their offices, as are or may be provided by law in relation to the registers and receivers of public monies in the several offices established for the disposal of the lands of the United States north of the river Ohio, and above the mouth of Kentucky river.

[Act of 29th February, 1808, 4 v. L. U. S. p. 146.]

Sec. 1. That all the sections of land heretofore reserved for the future disposition of Congress, not sold or otherwise disposed of, and lying within either of the districts established for the disposition of public lands in the state of Ohio, with the exception of the section numbered sixteen, of the salt springs, and lands reserved for the use of the same, shall be offered for sale in that district within which such reserved
sections may respectively lie, on the same terms, and under
the same regulations, as other lands in the same district:
Provided, That such sections shall previously be offered to
the highest bidder, at public sales, to be held under the super-
intendence of the registers and receivers of public monies
of the land offices, respectively, to which they are attached,
on the same terms as have been provided by law for the pub-
lic sales of the other lands of the United States, and on such
day or days as shall, by a proclamation of the President of
the United States, be designated for that purpose: And pro-
vided also, That no such heretofore reserved section shall
be sold either at public or private sale, at a less price than
four dollars per acre.

[Resolution of July 27th, 1787, 1 v. L. U. S. p. 569.]

A motion being made in the words following:

Whereas the United States in Congress assembled, have, by their ordinance, passed the 20th of May, 1785, among other things ordained, that the towns of Gnadenhutten, Schoenbrun, and Salem, on the Muskingum, and so much of the lands adjoining to the said towns, with the buildings and improvements thereon, shall be reserved for the sole use of the Christian Indians who were formerly settled there, or the remains of that society, as may, in the judgment of the geographer, be sufficient for them to cultivate:

Resolved, That the board of treasury except and reserve board of treasury to except out of any contract that they may make for the tract described in the report of the committee which, on the 23d instant, was referred to the said board to take order, a quantity of 10,000 acres, land around and adjoining each of the before mentioned towns, amounting, in the whole, to ten thousand acres; and that the property of the said reserved land be vested in the Moravian Brethren, at Bethlehem, in Pennsylvania, or a Society of the said Brethren, for civilizing the Indians and promoting Christianity, in trust, and for the uses expressed as above in the said ordinance; including Killbuck and his descendants and the nephew and descendants of the late captain White Eyes, Delaware chiefs, who have distinguished themselves as friends to the cause of America.
Ordered, That the above be also referred to the board of treasury to take order.

[Ordinance of September 3d, 1788, 1 r. L. U. S. p. 379.]

On a report of a committee, consisting of Mr. Clark, Mr. Williamson, and Mr. Madison, to whom was referred a memorial of John Etwein, of Bethlehem, President of the Brethren's Society for propagating the Gospel among the Heathen:

Whereas the United States in Congress assembled, by their ordinance of the 20th of May, 1785, among other things, ordained that the towns of Gnadenhutten, Schoenbrun, and Salem, with lands adjoining to the said towns, be reserved for the sole use of the Christian Indians, who were formerly settled there, or the remains of that society; and by an act of the 27th July, 1787, directed the board of treasury to except and reserve out of any contract they might make pursuant to an order of the 23d of the same month, a quantity of land around and adjoining to each of the before mentioned towns, amounting in the whole to ten thousand acres, and ordered the property of the said towns and reserved lands to be vested in the Moravian Brethren at Bethlehem, in Pennsylvania, or the Society of the said Brethren for civilized the Indians, and promoting christianity (or as they are called, The Society of the United Brethren for propagating the Gospel among the Heathen) in trust and for the uses expressed in the said ordinance, including others, as mentioned in the said act of 27th July, 1787; and whereas it has been agreed that the plot of each of the towns should be estimated at 666 § acres, so that each town and the reserved land adjoining shall make a tract of four thousand acres; and whereas the remnant of the said Christian Indians are desirous of returning to their towns as speedily as possible, and the United Brethren, to facilitate this without loss of time, have offered to advance the expenses of surveying the three tracts, on condition they be repaid, either in money or land:

Ordered, That the geographer of the United States survey, or cause to be surveyed, as speedily as possible, without interfering with the business he is sent to execute, the three tracts of Gnadenhutten, Schoenbrun, and Salem, on the Muskingum, including the reserved land adjoining each of the said towns, and return plots thereof to the board of treasury, that deeds may be issued for the same as is mentioned above; and that he also survey, or cause to be surveyed, the intermediate spaces, if any there be, between the said three tracts,
and return plots thereof, with an account of the expense, to
the board of treasury; and that the said board, provided it can
be done without infringing any contract they may have al-
ready made, convey the same to the said United Brethren, or
the Society of the said Brethren for propagating the Gospel
among the Heathen, upon their paying for the said interme-
diate space or spaces when the said survey shall be returned
by the geographer, at the rate at which such lands are grant-
ed to others, and also the expenses attending the surveying
and plotting the said spaces, deducting the sum advanced for
surveying the three tracts: Provided, That in case any of the
above mentioned lands shall fall within the supposed bounds
of the million of acres reserved for the late army, that the
said bounds shall be understood to extend so far to the west-
ward as to include the million of acres exclusive of the above
mentioned lands.

[Act of June 1st, 1796, 2 v. L. U. S. p. 567.]

Sec. 5. That the said surveyor general be, and he is
hereby, required to cause to be surveyed three several tracts
of land, containing four thousand acres each, at Shoenbrun, Gnadenhutten, and Salem; being the tracts formerly set
apart by an ordinance of Congress, of the third of Septem-
ber, one thousand seven hundred and eighty-eight, for the
Society of the United Brethren for propagating the Gospel
among the Heathen, and to issue a patent or patents for the
said three tracts, to the said Society, in trust, for the uses
and purposes in the said ordinance set forth.

[Act of May 26th, 1824, 1st sess. 18th Cong. p. 107.]

Sec. 1. That the three several tracts of land, lying in the
county of Tuscarawas, in the state of Ohio, lately retro-
ceded to the United States by the Society of the United
Brethren, for propagating the Gospel among the Heathen,
shall be surveyed and laid off into such lots, having regard
to the existing surveys and improvements thereon, as will
best conduce to the sale thereof: Provided, That the lots and
tracts which the United States are bound to convey to the
said Society, shall be laid off according to the contract for
retrocession: And provided, also, That a suitable number of
in-lots and out-lots, in the town of Gnadenhutten, shall be

Sec. 1. That the President of the United States be, and he hereby is, authorized to execute and deliver letters patent, in the name and behalf of the United States, to the governor of the state of Connecticut, for the time being, for the use and benefit of the persons holding and claiming under the state of Connecticut, their heirs and assigns, forever, whereby all the right, title, interest, and estate, of the United States, to the soil of that tract of land lying west of the west line of Pennsylvania, as claimed by the state of Pennsylvania, and as the same has been actually settled, ascertained, and run, in conformity to an agreement between the said state of Pennsylvania and the state of Virginia, and extending from said line, westward, one hundred and twenty statute miles in length, and in breadth throughout the said limits in length, from the completion of the forty-first degree of north latitude, until it comes to forty-two degrees and two minutes north latitude, including all that territory commonly called the Western Reserve of Connecticut, and which was excepted by said state of Connecticut out of the cession by the said

Connecticut, and of those claiming from or under the said state Governor au-
of Connecticut, to the soil of said tract of land, in said act of Congress described under the name of the Western Reserve of Connecticut. * And be it further enacted, That the gover-
nor of this state for the time being, be, and hereby is, empowered, in the name and behalf of this state, to execute and deliver to the acceptance of the President of the United States, a deed of the form and tenor directed by the said act of Congress, expressly releasing to the United States the jurisdictional claims of the state of Connecticut, to all that territory called the Western Reserve of Connecticut, according to the description thereof in said act of Congress, and in as full and ample manner as therein is required.

Therefore, know ye, that I, Jonathan Trumbull, governor of the state of Connecticut, by virtue of the powers vested in me, as aforesaid, do, by these presents, in the name and for and on behalf of the said state, remise, release, and forever quit-claim, to the United States, the jurisdictional claim of the state of Connecticut, to all that tract of land called, in the aforesaid act of Congress, the Western Reserve of Connecticut, and as the same therein under that name is particularly and fully described.

In witness whereof, I have hereunto subscribed my name, and affixed my seal, in the council chamber at Hartford, in the state of Connecticut, this thirtieth day of May, in the year of our Lord one thousand eight hundred, and in the twenty-fourth year of the independence of the United States.

JONATHAN TRUMBULL, (t, s.)

Sufferers' Land.

[Resolution of Connecticut, of May 10th, 1792.]

(CERTIFIED.)

Upon the memorial of the inhabitants of the towns of Fairfield and Norwalk, shewing to this Assembly, that many of the inhabitants of said towns, suffered great losses by the devastations of the enemy, during the late war, praying a compensation therefor; and on report of a committee appointed by this Assembly, at their sessions held at Hartford, in May, 1791, to ascertain from documents in the public offices, the amount of the losses of the said memorialists, and others, under similar circumstances, which had been estimated conformably to acts
of this Legislature, being such as were occasioned by incursions of the enemy during the late war, distinguishing the losses of buildings and necessary furniture, from those of other articles, by said documents, or otherwise; and also, to ascertain the advancements which have been made to the Sufferers, by abatement of taxes, or otherwise; and report the same, with their opinion relative to the ways and means of affording further relief, as per memorial and report on file.

Resolved by this Assembly, That there be, and there hereby is, released and quit-claimed to the Sufferers hereafter named, or their legal representatives, where they are dead, and to their heirs and assigns forever, five hundred thousand acres of the lands belonging to this state, lying west of the state of Pennsylvania, and bounding northerly on the shore of Lake Erie, beginning at the west line of said lands, and extending eastward to a line running northerly and southerly, parallel to the east line of said tract of land belonging to this state, and extending the whole width of said lands, and easterly, so far, as to make said quantity of five hundred thousand acres of land, exclusive of any lands within said bounds, if any be, which may have been heretofore granted to be divided to and among the said Sufferers, and their legal representatives, where they are dead, in proportion to the several sums annexed to their names, as follows, in the annexed list.

OF THE TOWN OF GREENWICH.

An Act for recording Conveyances of certain Lands lying on Lake Erie.

That all deeds conveying any of said lands, shall be recorded in the town clerk's office in the town or towns where the loss or damage of the original grantee, or grantees, mentioned in said grant was sustained, by the town clerk of such town, in a book to be by him kept for that purpose only, and by him to be provided at his own expense, and he to be entitled to his lawful fees for recording; which record shall be of the same validity as other town records. And all such deeds already executed, when so recorded as aforesaid, shall be considered as if recorded at the date thereof: Provided the same are recorded before the first day of October next.

An Act for incorporating the Proprietors of the Half Million Acres of Land lying South of Lake Erie.

Sec. 1. That the proprietors of said lands be a body corporate and politic, and they are hereby ordained, constituted, and declared to be a body corporate and politic, for the purposes herein mentioned, in fact and in name, and shall be known and called by the name of "The Proprietors of the Half Million Acres of Land lying south of Lake Erie," and by that name they and their heirs and assigns may and shall have succession, and shall be persons known in law, capable of suing and of being sued, of pleading and being impleaded.

Sec. 2. That in each of said towns shall be an annual meeting of the grantees within such towns, or those who legally represent them, on the last Tuesday of December, at nine o'clock, A. M. at the place in such town where the free-men's meetings are usually held, which proprietors when met shall choose a clerk and chairman, which clerk shall take the following oath, viz:

"You A. B. being chosen, clerk for the proprietors of this meeting, do swear that you will faithfully execute the office of such a clerk according to your best skill, and make entry of all such votes as shall be made, and deliver true copies of the same when they shall be required of you, taking only your just fees." So help you God.

Sec. 3. And the fees of such clerk shall be the same as the fees of town clerks, and he shall continue in office till another be chosen and sworn.

Sec. 4. And said proprietors shall proceed to choose an agent or agents, to represent them in a general meeting for the current year as herein after directed, and the number of
agents which may be sent, shall be regulated in the following manner, viz:—The proprietors in those towns whose allowed losses are £10,000 or less, may send one agent; those from ten to twenty thousand, may send two; those from twenty to thirty thousand, may send three, and so in the same proportion: Provided, That the proprietors in those towns which are entitled to send more than one agent, shall be at liberty to send one only, or a number less than they are entitled to send; and said agent or agents shall have the same number of votes in general meeting, as the whole number of agents which the proprietors of such towns might have sent, should have had, if present in such meeting.

Sec. 5. And in choosing said agents the votes of the proprietors in the several towns shall be reckoned in the following manner, viz: Those whose losses are less than £100 shall have one vote; those from one to two hundred shall have two votes; those from two to three hundred, shall have three, and so in the same proportion: Provided, That no amount of any single loss shall entitle to more than ten votes, and that each original grantee or proprietor, if absent, may vote by representation according to his allowed loss, or interest in said lands; and that every present or future proprietor, shall vote according to the aggregate of his interest (not according to the number of losses which he has purchased) according to the above ratio.

Sec. 6. And said proprietors shall also choose a collector, who shall be sworn to a faithful discharge of his trust; and it shall be his duty to warn meetings, and to collect taxes, and to do such services in relation to said proprietors, as the general meeting shall direct; and said collectors are hereby empowered to do the same, taking their just fees, which shall be equal to those of the constables in the several towns of this state.

Sec. 7. And after said first meeting, said proprietors shall have power to meet and adjourn, and to appoint times and places of meeting, according to regulations to be made by the general meeting: Provided however, That the towns of New-Haven, and East-Haven, whose losses were granted together, shall meet in said New-Haven, and proceed as one town in the business aforesaid.

Sec. 8. That a general meeting of the agents from said towns, shall be held in said New-Haven at the state-house, on the second Tuesday of March, 1797, at nine o'clock, A. M., which meeting shall choose a clerk, moderator and treasurer, all of whom shall be sworn to execute faithfully their respective offices, and thereupon the several agents shall be sworn by the clerk to execute their trust, and to do what in their judgment will conduce to the best interest of the proprietors; and said officers and members shall continue in trust till others be chosen and sworn in their stead.
Sec. 9. And said general meeting shall have power to appoint a common seal, and to cause their clerk to procure and improve the same: also to adopt and prosecute measures for extinguishing the Indian title, and for surveying and locating said lands, and making partition thereof in townships or otherwise, and whatever else shall to them appear necessary or proper for the well ordering of the interest of said proprietors; and said general meeting shall have power to examine all accounts or charges and expenses, which have arisen in necessary business done for the general interest of the proprietors, to an amount not exceeding one hundred dollars, or which may necessarily hereafter arise, whatever may be the reasonable amount thereof and allow what they shall find due to any person or persons, and may direct their clerk to register the sums allowed, and to give orders on their treasurer for the payment thereof, whose duty it shall be to pay the same, from a fund to be provided in a manner hereafter specified.

Sec. 10. That for defraying all necessary and proper expenses which have arisen as aforesaid, not exceeding said amount, or which may arise relating to said lands, it shall be in the power of said general meeting to lay taxes on the proprietors of said lands, and to appoint the times when payable, and said taxes shall be laid on the original rights, according to the names and amount of losses; and it shall be the duty of the treasurer of said proprietors, to grant warrants to the collectors of the proprietors in the several towns, to collect such tax of the proprietors, or in case of their neglect or refusal, from the sale of the rights; and said collectors shall proceed in the collection and sale aforesaid, in the same manner as collectors of state taxes now proceed, and said lands to be subject to the same equity and terms of redemption: Provided, That the persons, and other property of the proprietors, shall not be subject to the payment of such tax or taxes, but the lands only: Also provided, That twenty days notice of such sale shall be given in the town where the original grantee lived, on the sign-post in such town, and in the newspaper published in or nearest said town; and in case of neglect or refusal of any collector to settle with and pay the treasurer of said proprietors by the time specified, it shall be the duty of the treasurer, to issue a distress against the proprietors of the town where such negligent collector dwells, which distress shall be directed to the sheriff of the county in which such proprietors dwell, him by the authority of this state commanding, to require by personal application to at least five of the considerable proprietors, payment of the taxes or arrears of taxes, which may be due from their collector, together with his fees; and upon their neglect or refusal, said sheriff to advertise, and sell as in the case of executions, so much of the rights or shares of such proprietors, or any of
them, as shall be sufficient to pay the same, together with all legal fees and charges thereon; and all distresses so granted, shall be returnable in sixty days from the date thereof; and it shall be the duty of such sheriffs to receive such distresses, and they are hereby empowered to execute the same; and said sheriffs in case of their neglecting their duty herein, shall be liable to the treasurer of said proprietors in the same manner as they are liable in like cases to the treasurer of this state; and all sales of rights or parts of rights, made as aforesaid by such collector or sheriffs, shall be as valid to the purchaser, (subject only to said equity and terms of redemption) as if he had received the same from the original grantee, and deeds shall be made such collectors and sheriffs accordingly.

Sec. 11. That each of said agents in general meeting shall have an equal vote, and any agent or agents who shall not attend said general meeting, may vote by representation, on giving a written power to any other agent or agents to vote and act for him or them.

Sec. 12. And said general meeting shall have right and power to make any by-laws for the well ordering of said property, which shall not be contrary to this act nor the laws of this state; and such by-laws after being published twenty days in the newspapers of New-London, New-Haven and Fairfield, or Danbury, shall until altered, revoked, or suspended by said general meeting, be binding upon all the proprietors.

Sec. 13. And said first general meeting shall have power to make regulations respecting their future meetings, and may meet and adjourn as occasion may be; but may at any time be convened in said New-Haven or Hartford, as the general meeting may direct, by timely written notice from the moderator to each of the agents; and it shall be the duty of said moderator, on application of not less than half the number of all the agents, to issue such notices, therein specifying the time, place, particular occasion and business of their meeting; and said meetings may proceed to business whenever a major part of the members are present, and not before: Provided, That this act of incorporation shall not operate to alter or affect the proportion of interest of the grantees in the original grant, or their assigns: Provided also, That this act shall not be binding or obligatory on the original grantees, or their heirs or assigns, excepting those who shall enter their names with the clerk of the grantees, in the town or towns where their respective loss or losses were sustained: Provided nevertheless, That when any grantee or grantees, his or their heirs or assigns shall have entered his or their name or names as aforesaid, they shall be subjected to pay his or their proportion of all expenses, that may have
be incurred by said proprietors, in the management of their said concerns.

Sec. 5. That it shall be the duty of said clerk to truly enter and record, all votes and doings of said directors, and that he shall, on application, give true copies thereof, and the same being duly certified under his hand and seal, shall in all cases be received and allowed as evidence.

Sec. 6. That when any tax or taxes be laid as aforesaid, it shall be the duty of the treasurer to grant warrants to said collector or collectors to collect the same, and to account for and pay over the avails thereof, as said directors shall order, and that all sales of lands for taxes to the company shall be made in towns where the losses were sustained.

Sec. 7. That it shall be the duty of the collector or collectors to execute all warrants to him or them direct, by said treasurer, for collection of any tax or taxes laid by said board of directors. And said collector or collectors, shall give due and reasonable notice of the time when said tax or taxes are or shall be payable to the treasurer of said directors, by advertising the same at least three weeks successively, in at least one newspaper published in each of the counties of Fairfield, New-Haven and New-London, in said state of Connecticut, and by giving any further notice in
or without said state of Connecticut, as said directors may order, and that said tax or taxes shall be assessed on the original rights or losses, in proportion to each person's respective share or loss, as set in said grant: Provided, That said lands only shall be subject to the payment of said tax or taxes; and that when any tax or taxes, after the time limited for the payment thereon remains unpaid, it shall be the further duty of said collector or collectors to give notice of time and place, in manner aforesaid, that he or they shall proceed to sell, at public vendue, so much of the original loss and right of such delinquent proprietor, as will be sufficient to pay said tax or taxes, and all reasonable charges arising thereon, and said notice to be at least sixty days previous to any sale being made by any collector.

Sec. 8. That said directors and their successors shall have authority, and are empowered to institute any prosecution, real, personal or mixed, as the case may require, against any person or persons, who shall at any time enter on the said lands, or any part of them, or commit any act of trespass thereon, and pursue such action to final judgment and execution, and to adjust and settle the accounts of the former incorporation, and to bring the officers and servants of said former incorporation to account and final settlement by suits at law or otherwise.

Sec. 9. Sec. 11. That it shall be the duty of the said directors to state the accounts of said corporation, annually, and leave the same in the hands of the treasurer for the inspection of any of said proprietors, and supplies of money which shall remain in the hands of the treasurer after the Indian title shall be extinguished and said land located and partition thereof made, shall be used by said directors, for the laying out and improving the public roads in said tract, as this assembly shall direct.

Sec. 12. That this act shall be and remain a public act during the pleasure of this Assembly.
WHEREAS it is represented to this General Assembly, by the directors of the proprietors of the half million of acres of land lying south of Lake Erie, called "Sufferer's Land," incorporated by that name, by an act of the General Assembly of this state, passed the fifteenth day of April, one thousand eight hundred and three, that by virtue of the authority vested in them by said act, the said proprietors have extinguished the Indian claim of title to said land, surveyed and located the same into townships and sections, made an exact partition thereof to and among the proprietors, and used the surplus monies, which remained in the hands of their treasurer after the Indian title was extinguished, and partition of said lands was made, amounting to about two thousand six hundred dollars, for laying out and improving the public roads in said tract, and have now fully done and completed all and singular the matters and things which the interest of said proprietors required, and agreeably to the provisions and requirements of said act of incorporation;

And whereas, it is further represented by the said directors, that in transacting the business of said company, under the provisions of the act aforesaid, they have caused their clerk to make and keep a true entry and record of all the votes and doings of the directors, agreeably to the requirements of said act, and that said company have, in consequence thereof, two record books, one of which contains the votes and proceedings of the directors, and a record of the field minutes of the survey of said land; and the other, a complete partition of the whole of said half million of acres, both which record books are certified to be the records of said company, by Isaac Mills, esq. their clerk, and deposited in the hands of the recorder of Huron county, where the directors of said company pray they may be and remain as part of the records of said county—Therefore,

SEC. 1. That the record books, aforesaid, containing the votes and proceedings of the directors of said company, and records of the field minutes of the survey of said half million of acres, and the record of partition thereof, be kept by the recorder of Huron county and his successors in office, and that said record books be and remain a part and parcel of the records of said county, and that any certified copies therefrom, which may hereafter be made by the recorder of said county, may be used and read as legal evidence in all courts of record or elsewhere; and it shall be the duty of the recorder of Huron county, to give a certified copy of any part of said records, to any person demand-
ing the same, for which he shall be entitled to the same fees as are provided by law for copies of other records.

Sec. 2. That the expenditure of said sum of two thousand six hundred dollars, surplus money, in laying out and improving the public roads on said lands, as before mentioned, be, and the same is hereby, ratified and confirmed.

Effect. This act to take effect from and after the passage thereof.
Virginia Military Bounties.

[Act of May, 1779; Henning’s Statutes of Virginia, 10 v. p. 23.]

Sec. 1. That every able bodied freeman who will enlist, Bounties in and who having enlisted to serve a particular period of time money, lands, unexpired, will re-enlist to serve during the continuance of the present war, among the troops of this Commonwealth, either at home or in the continental army, as he shall be directed; or as a sailor or marine, on board the armed vessels in this Commonwealth, shall receive so much money as with the continental bounty if he be put on that service, shall make up seven hundred and fifty dollars, taking into account in the case of re-enlistment the bounty before paid the soldier, sailor, or marine re-enlisting, and the pay and rations allowed to the like soldiers, sailors or marines in the continental service to begin from the day of his enlistment; he shall also be furnished at the public expense, with a coat, waistcoat, pair of overalls, two shirts, a pair of shoes, and a hat, to be delivered at the place of rendezvous, and with the like articles every year after, during his service, to be delivered at his station; in lieu of such of those articles as are allowed by Congress, which articles so allowed by Congress, shall be received by proper officers to be appointed by the governor with advice of council, and applied to the discharge of the engagements of this act, or otherwise to the use of this commonwealth as the governor with advice of council shall direct. At the end of the war every of the said soldiers, sailors, and marines, shall be entitled to a grant of one hundred acres of any unappropriated land within this commonwealth, and every of the officers commanding the said soldiers, sailors, or marines, shall be entitled to a grant of the like quantity of lands as is allowed to officers of the same rank in the Virginia regiments on continental establishment, which they shall locate according to the directions of the laws, for which no purchase money shall be required on behalf of the commonwealth.

Sec. 2. And whereas a certain bounty in lands hath been engaged to the troops on continental establishment, raised by the ordinances of convention or the laws of this commonwealth, and to the troops upon Virginia establishment:

Be it enacted, That the officers and soldiers of the said troops, as well as the officers and soldiers to whom a bounty in lands may, or shall be hereafter allowed, by any law of this commonwealth, shall be entitled to the quantity of waste or unappropriated lands respectively engaged to them by such laws, a commissioned officer or his heirs, upon certificate from any general officer of the Virginia line, or the commanding officer of the troops on the Virginia establishment, as the case may be, and a non-commissioned officer or soldier, or his heirs, upon certificate from the colonel or commanding officer of the regiment or corps to which they respectively belonged, that such officer or soldier hath served the time required by law, or hath been slain or died in the service, distinguishing particularly the time such officer or soldier hath served, and in what regiment or corps such service hath been performed, or death happened; and upon making proof before any court of record within this commonwealth by the person's own oath, or other satisfactory evidence of the truth and authenticity of the said certificate, and that the party had never before proved or claimed his right to land for the service therein mentioned, which proof the clerk of the court before whom it shall be made, is hereby empowered and required to endorse and certify upon the original certificate, making an entry or minute thereof in his order book and recording the same; and every county court shall annually, in the month of October, send to the register's office, a list of all certificates granted by their respective county courts upon any of the before mentioned rights, there to be recorded.

Warrants how obtained, &c.

Sec. 3. That upon application of any person or persons, their heirs or assigns, having title, to waste or unappropriated lands, either by military rights or treasury rights, and lodging in the land office a certificate thereof, the register of the said office shall grant to such person or persons a printed warrant under his hand and the seal of his office, specifying the quantity of land and the rights upon which it is due, authorising any surveyor duly qualified according to law, to lay off and survey the same, and shall regularly enter and record in the books of his office, all such certificates and the warrants issued thereupon, which warrants shall always be
good and valid until executed by actual survey, or exchanged in the manner herein after directed: Provided, That no warrant on treasury rights, other than pre-emption warrants, to be obtained by virtue of this act, shall be granted or issued before the fifteenth day of October next; nor shall the surveyor of any county admit the entry or location of any warrant on treasury rights, except pre-emption warrants, in his books, before the first day of May next. Any person holding a land warrant upon any of the before mentioned rights, may have the same executed in one or more surveys, and in such case, or where the lands on which any warrant is located shall be insufficient to satisfy such warrant, the party may have the said warrant exchanged by the register of the land office for others of the same amount in the whole, but divided as best may answer the purposes of the party, or entitle him to so much land elsewhere as will make good the deficiency. No entry or location of land shall be admitted within the county and limits of the Cherokee Indians, or on the northwest side of the Ohio river, or on the lands reserved by act of Assembly for any particular nation or tribe of Indians, or on the lands granted by law to Richard Henderson and company, or in that tract of country reserved by resolution of the General Assembly for the benefit of the troops serving in the present war, and bounded by the Green river and a south east course from the head thereof to the Cumberland mountains, with the said mountains to the Carolina line, with the Carolina line to the Cherokee or Tennessee river, with the said river to the Ohio river, and with the Ohio to the said Green river, until the further order of the General Assembly.

All persons, as well foreigners as others, shall have right to assign or transfer warrants or certificates of survey for lands.

Sec. 4. And whereas, through the ignorance, negligence, or fraud of surveyors, it may happen that divers persons now do or may hereafter hold within the bounds expressed in their patents or grants, greater quantities of land than are therein mentioned; for quieting such possessions, preventing controversies, and doing equal justice to the commonwealth and its citizens: Be it enacted That it shall not be lawful for any person to enter for, survey, or take up, any parcel of land held as surplus in any patent or grant, except during the lifetime of the patentee or grantee, and before any transference, conveyance, or other alienation shall have been made of the lands contained in such patent or grant, and until the party intending to enter and take up the same, shall have given one full years notice to such patentee or grantee of such his intentions; and in case such patentee or grantee shall not within the year, obtain rights and sue forth a patent for the surplus land by him held, it shall be lawful for the person who gave notice as aforesaid, upon producing
a certificate from the clerk of due proof of such notice before the court of the county wherein such patentee or grantee resides, to demand from the register of the land office, a warrant to the surveyor of the county wherein such lands lie, to resurvey at the proper charge of the person obtaining such warrant, the whole tract within the bounds of the patent or grant, and upon such persons returning into the land office a plat and certificate of such resurvey, together with the warrant on which it is founded, and obtaining and producing new rights for all the surplus land found within the said bounds, he may sue forth and obtain a new grant for such surplus, which shall be granted to him in the same manner as waste or unappropriated lands; but the former patentee or grantee may assign such surplus land in any part of his tract as he shall think fit in one entire piece, the breadth of which shall be at least one third of the length; and in such new grant there shall be a recital of the original patent or grant, the resurvey of which the surplus was ascertained, and of other material circumstances.

Sec. 5. Provided always, That if upon notice given as aforesaid, the original patentee or grantee shall within the year resurvey his tract, and it be thereupon found that he hath no more than the quantity of land expressed in his patent or grant, with the allowance herein after mentioned, the party giving such notice shall be liable to pay all charges of such resurvey, for which he shall give sufficient security to the said patentee or grantee at the time of the notice, otherwise such notice shall be void and of no effect; and moreover for his unjust vexation, shall also be liable to an action upon the case at the suit of the party grieved, and that in all such new surveys, the patentee or grantee shall have an allowance at the rate of five acres in every hundred, for the variation of instruments.*

Sec. 1. That every person acting as chaplain, surgeon, or surgeon’s mate, to any regiment or brigade of officers and soldiers raised within this commonwealth, and upon continental establishment, and who hath, or shall hereafter serve in that office the space of three years or during the war, shall be entitled to and have the like quantity of lands as is by law allowed to commissioned officers receiving the same pay and rations.

*The residue of this act regulates surveys, the proceedings upon caveats, the forms of grants, and prescribes how mistakes in the courses and description of the bounds may be rectified, &c.

SEC. 2. And whereas no law of this commonwealth hath yet ascertained the proportions or quantity of land to be granted, at the end of the present war, to the officers of the Virginia line on continental or state establishment, or to the officers of the Virginia navy, and doubts may arise respecting the particular quantity of land due to the soldiers and sailors, from the different terms of their enlistments: Be it enacted, That the officers who shall have served in the Virginia line on continental establishment, or in the army or navy upon state establishment to the end of the present war; and the non-commissioned officers, soldiers, and sailors upon either of the said establishments, their heirs or legal representatives, shall respectively be entitled to and receive the proportion and quantities of land following: that is to say, every colonel, five thousand acres; every lieutenant colonel, four thousand five hundred acres; every major, four thousand acres; every captain, three thousand acres; every subaltern, two thousand acres; every non-commissioned officer who having enlisted for the war, shall have served to the end thereof, four hundred acres; and every soldier and sailor under the like circumstances, two hundred acres; every non-commissioned officer, who having enlisted for the term of three years, shall have served out the same, or to the end of the present war, two hundred acres; and every soldier and sailor under the like circumstances, one hundred acres; every officer of the navy the same quantity of land as an officer of equal rank in the army. And where any officer, soldier, or sailor shall have fallen or died in the service, his heirs or legal representatives shall be entitled to and receive the same quantity of land as would have been due to such officer, soldier, or sailor respectively, had he been living.

SEC. 6. And whereas many warrants from the register may have been, or may hereafter be casually lost: Be it enacted, That upon satisfactory proof thereof being made, before any court of record, the owner shall obtain from such court a certificate, which shall authorize the register to issue a duplicate of such warrant, which shall have the same force as the original would have had; but such original shall be void, unless a grant shall be actually issued upon such original before application for the duplicate.

[Sec. 3.] And each recruit and also all our soldiers now in service that have already enlisted, or who may hereafter enlist by the said first day of April next to serve during the war, and who shall continue to serve faithfully to the end thereof, shall then receive a healthy sound negro, between the ages of ten and thirty years, or sixty pounds in gold or silver, at the option of the soldier in lieu thereof, to be paid for, or procured by equal assessment on property; and moreover be entitled to three hundred acres of land, in lieu of all such bounties given by any former laws: Provided, That no soldier shall alienate or assign his title to the said land, or slave, until his time of service shall expire.

Bounties to Sec. 4. And whereas no provision has been made in land for the general officers of this state in continental service, therefore: Be it enacted, That there shall be allowed to a major general fifteen thousand acres of land, and to a brigadier general ten thousand acres of land, to be reserved to them and their heirs, in the same manner and on the same conditions as is by law heretofore directed for the officers and soldiers of the Virginia line in continental service, and there shall be moreover allowed to all the officers of this state on continental or state establishments, or to the legal representatives of such officers, according to their respective ranks, an additional bounty in lands, in the proportion of one third of any former bounty heretofore granted them.

Sec. 5. That the legal representative of any officer on continental or state establishments, who may have died in the service before the bounty of lands granted by this or any former law, shall be entitled to demand and receive the same in like manner as the officer himself might have done when living, agreeable to his rank. And as a testimony of the high sense the General Assembly of Virginia entertain of the important services rendered the United States by the honorable major general Baron Steuben: It is further enacted, That fifteen thousand acres of land be granted to the said major general Baron Steuben, in like manner as is herein before granted to other major generals.

*Mr. Henning, in a note to this act, says—"The provisions of this act, which grants 300 acres of land to soldiers, who have enlisted or should enlist for the war, and who should serve to the end thereof, instead of 200, as by the former act of October, 1779, has been entirely overlooked in practice." This, he thinks, was owing to the fact that the title only was printed in the Chancellor's Revival, and that those who were called upon to execute the various laws, looked to that compilation, as containing all the laws in relation to land bounties.
Sec. 9. That the governor, with the advice of the council, shall, as soon as the circumstances of affairs will admit, appoint surveyors, to be nominated, examined and commissioned in the usual form, for the purpose of surveying and appraising the said lands and the tract heretofore reserved for the said purpose to the said officers and soldiers agreeable to their ranks respectively, in such manner and in such proportions as are allowed by act of assembly as a bounty for military services: And it shall be lawful for the said officers to depute and appoint as many of their number as they may think proper to superintend the laying off the said lands, who shall have power to choose the best of the same, thus to be allotted, and point the same out to the said surveyors, who shall proceed to survey the same in the proportion as they shall be directed by the said superintendents, and shall in the same manner be subject to their orders throughout the survey, which said surveys shall be at the expense of the officers and soldiers: And after such survey, the portions of each rank shall be numbered, and the said officers and soldiers shall according to their ranks respectively, proceed to draw lots for the numbers, which they shall have power to locate as soon as they shall think proper; which said lands shall be free from taxation during the continuance of the present war: Provided nevertheless, That if at any time after the said location and allotment shall have taken place, any officer shall resign, or by his misconduct forfeit his commission, the lot by him so located shall revert to the state: And provided also, That nothing contained in this act shall be construed to deprive the officers of the artillery and cavalry, citizens of this state who received their appointments originally in the same, and have by a regular line of succession been, or shall be promoted to a corps raised in another state, from any of the benefits hereby granted, or intended to be granted, to the officers of the Virginia line.

Sec. 1. That the governor, with the advice of council, shall appoint some discreet officer or officers in the respective counties within this state, to recruit, by voluntary enlistments, any number of soldiers not exceeding three thousand, for the term of two years, or during the war; each soldier to be not less than five feet four inches high, not being a deserter nor subject to fits, of able body and sound mind, fit for immediate service. For every soldier enlisted as above described the recruiting officer shall be entitled to the sum of forty
shillings specie. The governor, with the advice of council, shall have power to advance any sum of money necessary for the full execution of this act, either to the officers aforesaid or to some other proper person in each respective county where the recruiting business shall be, first taking bond and good security if necessary, for the faithful application of the same. The men enlisted shall be entitled to subsistence from the day of their enlistment.

Sec. 2. That every soldier who shall enlist to serve in the continental army for the term of two years or during the war, shall be allowed the sum of twenty dollars, to be paid down as soon as he is sworn for that purpose, and shall be entitled to all other immunities that other continental soldiers are.

Sec. 7. And whereas it is necessary that the number of claims to any part of the lands appropriated for the benefit of the said officers and soldiers should be speedily ascertained: Be it therefore enacted, That all persons having claims as aforesaid be required, and they are hereby directed, to transmit authenticated vouchers of the same to the war office on or before the first day of January next; and if any person having such claim shall be without the state, he shall transmit the same on or before the first day of June next following.

Sec. 8. That the register of the land office be, and he is hereby empowered and required to grant to the said officers and soldiers, warrants for the lands allotted them, upon producing to the register a certificate of their claims respectively from the commissioner of war, and no [not] otherwise.*

Sec. 9. That any officer or soldier who has not been cashiered or superseded, and who hath served the term of three years successively, shall have an absolute and unconditional title to his respective apportionment of the land appropriated as aforesaid. And for every year which every officer or soldier may have continued, or shall hereafter continue in service beyond the term of six years, to be computed from the time he last went into service, he shall be entitled to one sixth part in addition to the quantity of the land apportioned to his rank respectively.

Sec. 10. That no surveyor shall be permitted to receive any location upon any warrant for lands within the county reserved for the officers and soldiers, until the apportionment and draught for the same, as directed by the act entitled,

VIRGINIA MILITARY BOUNTIES.

"An act to adjust and regulate the pay and accounts of the officers and soldiers of the Virginia line on continental establishment, and also of the officers, soldiers, sailors and marines in the service of this state, and for other purposes."

Sec. 1. For the better locating and surveying the lands given by law to the officers and soldiers on continental and state establishments: Be it enacted by the General Assembly, That it shall and may be lawful for the deputations of officers, consisting of major general Peter Muhlenburg, major general Charles Scott, major general George Weedon, brigadier general Daniel Morgan, brigadier general James Wood, colonel William Heth, lieutenant colonels Towles, Hopkins, Clark, and Temple, captain Nathaniel Burwell, and captain Mayo Carrington, of the continental line, or any five of them; and brigadier general Clark, colonels Brent, Muter, and Dabney, major Meriwether, captains Roane, Rogers, and Boswell, of the state line, or any three of them, to appoint superintendents on behalf of the respective lines, or jointly, for the purpose of regulating the surveying of the lands appropriated by law as bounties for the said officers and soldiers; and that the said deputations of officers shall have power to nominate and appoint two principal surveyors, to be commissioned as other surveyors within this commonwealth, and contract with them for their fees, who shall appoint their deputies, to be approved by the superintendents; and in case of their death, or inability to act, the superintendents shall have power to appoint from time to time, a successor or successors, as the case may require. Provided, That one sixth part of the fees received by such surveyor or deputies, shall be accounted for to the use of the college of William and Mary, in the same manner as other surveyors are directed to account for their fees, upon surveys made by them within this commonwealth. That the holder or holders of land warrants, warrants for military bounties, given by law as aforesaid, when to be delivered, shall, on or before the fifteenth day of March next, deliver the same to the principal surveyors, at such place or places as they shall, with the advice of the deputations, direct, endorsing on the back of each warrant the number of surveys the same shall be laid off in, specifying the quantity of each survey: Provided, That a general officer shall not be allowed more than six, a field officer five, and a captain and subaltern four surveys, in their respective apportionments of land, and the staff in proportion. The non-commissioned officers' and soldiers' warrants shall be put into classes, as near as circumstances will admit, of one thousand acres each.
numbered previous to the drawing, and the number of the lot drawn shall be endorsed on every such class; and the persons interested in each class, shall determine their choice by lot, in the same manner as shall be done by classes, and the same to be divided accordingly by the surveyors.

Sec. 2. That the priority of location shall be determined by lot, as soon as may be, after the said fifteenth day of March next, under the direction and management of the principal surveyors and the superintendents, or any three of them, according to such regulations as shall be fixed on by the present deputation, from the officers on the continental and state establishments respectively. That all warrants delivered to the principal surveyors before the sixteenth of March next, shall be first surveyed, and those delivered upon that, or any subsequent day, shall be surveyed in the same order of priority, as they may be respectively delivered to the principal surveyors. And if the proprietor of any warrant shall, either by himself or agent, decline or refuse to locate and survey agreeable to the number of lot or lots drawn thereto, such proprietor shall be postponed to those who do not refuse to locate and survey according to rotation.

Sec. 3. That every officer and soldier, or their legal representatives, may attend in person, or by another authorized for the purpose, to the locating and surveying their respective portions of land; and the portions of such officers and soldiers not being transferred, who may not be represented, shall be located and surveyed under the direction of the superintendents, agreeable to their number or rotation; but the superintendents shall not be compelled to attend to the locating and surveying of lands claimed by purchase, unless such claimant attend in person, or by an agent duly authorized for that purpose. And that every person or persons holding officers or soldiers warrants by assignment, shall pay down to the principal surveyors at the time of delivering such warrant or warrants, one dollar for every hundred acres thereof, exclusive of the legal surveyors fees, towards raising a fund for the purpose of supporting all contingent expenses, or at the option of such holder or holders, the same may be held up until the warrants of all the original grantees have been surveyed; the said surveyors to account for all the money so received, to such person or persons as the said deputations may direct.

Sec. 4. That the surveyors under the direction of the superintendents, and the claimants having a right to survey from the priority of their numbers shall proceed in the first place to survey all the good lands, to be adjudged of by the superintendents, in that tract of country lying on the Cumberland and Tennessee rivers, as set apart by law for the said officers and soldiers, and then proceed in like manner to sur-
vey on the northwest side of the river Ohio, between the rivers Scio and the Little Miami, until the deficiency of all mil-
tary bounties in lands shall be fully and amply made up: Pro-
vided always, That in such surveys, the same proportions be
observed in length and breadth as are directed by law in
other surveys within this commonwealth, and shall be closed
and marked on all sides. And whatever lands may happen
to be left within the tract of country reserved for the army
on this side the Ohio and Mississippi, shall be saved, subject
to the order and particular disposition of the legislature of
this state. And that the governor, with advice of council,
be, and he is hereby empowered and required to furnish the
superintendents with such military aid, at such time, and in
such manner, 'as he may judge necessary for the purpose of
carrying this act into execution: Provided, That the aid to be
ordered shall be from the Kentucky country, and not exceed
one hundred men.

Sec. 1. Every person having a land warrant, and being
desirous of locating the same on any particular waste and
unappropriated lands, shall lodge such warrant with the
chief surveyor of the county wherein the said lands or the
greater part of them lie, who shall give a receipt for it if
required. The party shall direct the location thereof so
specially and precisely as that others may be enabled with
certainty to locate other warrants on the adjacent residuum;
which location shall bear date the day on which it shall be
made, and shall be entered by the surveyor in a book to
be kept for that purpose, in which there shall be left no
blank leaves or spaces between the different entries.—
And if several persons shall apply with their warrants at
the office of any surveyor at the same time, to make entries,
they shall be preferred according to the priority of the dates
of their warrants, but if such warrants be dated on the same
day, the surveyor shall settle the right of priority between
such persons by lot. And every surveyor shall, at the time
of making entries for persons not being inhabitants of his
county, appoint a time for surveying their land, and give no-
tice thereof in writing to the persons making the same; and
if on such application at his office, the surveyor shall refuse
to enter such location, under pretence of a prior entry for the
same lands made by some other persons, he shall have a
right to demand of the said surveyor a view of the original
of such prior entry in his book, and also an attested copy of
it. Any chief surveyor having a warrant for lands, and de-
sireous to locate the same within his own county, shall enter

such location with the clerk of the county, who shall return the same to his next court, to be there recorded; and the said surveyor shall proceed to have the survey made as soon as may be, or within six months at farthest, by some one of his deputies, or if he hath no deputy, then by any surveyor or deputy surveyor of an adjacent county, and in case of failure his entry shall be void, and the land liable to the entry of any other person. Where the chief surveyor doth not mean to survey himself he shall immediately after the entry made, direct a deputy surveyor to perform the duty, who shall proceed as is before directed in the case of the chief surveyor. The persons employed to carry the chain on any survey shall be sworn by the surveyor, whether principal or deputy, to measure justly and exactly to the best of their abilities, and to deliver a true account thereof to such surveyor, and shall be paid for their trouble by the party for whom the survey is made. The surveyor, at the time of making the survey, shall not leave any open line, but shall see the same bounded plainly by marked trees, except where a water course or ancient marked line shall be the boundary, and shall make the breadth of each survey at least one third of its length in every part, unless where such breadth shall be restrained on both sides by mountains unfit for cultivation, by water courses, or the bounds of lands before appropriated. He shall, as soon as it can conveniently be done, and within three months at farthest after making the survey, deliver to his employer or his order, a fair and true plat and certificate of such survey, the quantity contained, the hundred, (where hundreds are established in the county wherein it lies) the courses and descriptions of the several boundaries, natural and artificial, ancient and new, expressing the proper names of such natural boundaries where they have any, and the name of every person whose former lines made a boundary; and also the nature of the warrant and rights on which such survey was made, and shall at the same time redeliver the said warrant to the party. The said surveyor may nevertheless detain the said certificates and warrants until the payment of his fees. The said plats and certificates shall be examined and tried by the said principal surveyor whether truly made and legally proportioned as to length and breadth, and shall be entered within three months at farthest, after the survey is made, in a book well bound, to be provided by the court of his county, at the county charge; and he shall, in the month of July every year, return to the President and professors of William and Mary College, and also to the clerk's office of his county court, a true list of all surveys made by him or his deputies in the preceding twelve months, with the names of the persons for whom they were respectively made, and the quantities contained in each, there to be recorded by such clerk; and no person shall hereafter
hold the offices of clerk of a county court and surveyor of a county, nor shall a deputy in either office act as deputy or chief in the other. Any surveyor, whether principal or deputy, failing in any of the duties aforesaid, shall be liable to be indicted in the general court and punished by amercement or deprivation of his office, and incapacity to take it again, at the discretion of a jury; and shall moreover be liable to any party injured for all damages he may sustain by such failure. Every county court shall once in every year, and oftener if they see cause, appoint two or more capable persons to examine the books of entries and surveys in possession of their chief surveyor, and to report in what condition and order the same are kept; and on his death or removal shall have power to take the same into their possession, and deliver them to the succeeding chief surveyor.

Sec. 2. And for preventing hasty and surreptitious grants, and avoiding controversies and expensive law suits: Be it enacted, That no surveyor shall, at any time within twelve months after the survey made, issue or deliver any certificate, copy, or plat of land by him surveyed, except only to the person or persons for whom the same was surveyed, or to his, her or their order, unless a caveat shall have been entered against a grant to the person claiming under such survey, to be proved by an authentic certificate of such caveat from the clerk of the general court produced to the surveyor; and if any surveyor shall presume to issue any certificate, copy, or plat as aforesaid, to any other than the person or persons entitled thereto, every surveyor so offending shall forfeit and pay to the party injured, his or her legal representatives or assigns, thirty pounds for every hundred acres of land contained in the survey whereof a certificate, copy, or plat shall be so issued, or shall be liable to the action of the party injured at the common law for his or her damages, at the election of the party.

Sec. 3. And for declaring what fees a surveyor shall be entitled to: Be it enacted, That every surveyor shall be entitled to receive the following fees, for the services herein after mentioned, to be paid by the person employing him, and no other fees whatsoever, that is to say: For every survey by him plainly bounded as the law directs, and for a plat of such survey, after the delivery of such plat, where the survey shall not exceed four hundred acres of land, two hundred and fifty pounds of tobacco; for every hundred acres contained in one survey above four hundred, twelve pounds of tobacco; for surveying a lot in a town, twenty pounds of tobacco; and where the surveyor shall be stopped or hindered from finishing a survey by him begun, to be paid by the party who required the survey to be made, one hundred and twenty-five pounds of tobacco; for running a dividing line, one hundred pounds of tobacco; for surveying an acre of
land for a mill, fifty pounds of tobacco; for every survey of land formerly patented, and which shall be required to be surveyed, and for a plat thereof delivered as aforesaid, the same fee as for land not before surveyed; and where a survey shall be made of any lands which are to be added to other lands, in an inclusive patent, the surveyor shall not be paid a second fee for the land first surveyed, but shall only receive what the survey of the additional land shall amount to; and where any surveys have been actually made of several parcels of land adjoining and several plats delivered, if the party shall desire one inclusive plat thereof, the surveyor shall make out such plat for fifty pounds of tobacco; for running a dividing line between any county or parish, to be paid by such respective counties or parishes in proportion to the number of tythables, if ten miles or under, five hundred pounds of tobacco; and for every mile above ten, fifteen pounds of tobacco; for receiving a warrant of survey and giving a receipt therefor, eight pounds of tobacco; for recording a certificate from the commissioners of any district of a claim to land allowed by them, to be paid by the claimant, eight pounds of tobacco; for making an entry for land or for a copy thereof, eight pounds of tobacco; for a copy of a plat of land or of a certificate of survey, twelve pounds of tobacco.

Fees may be discharged in tobacco notes or specie.

Sec. 4. That all persons who are now chargeable with any surveyor's fees, for services under the act of Assembly, entitled "An act for regulating the fees of the register of the land office, and for other purposes," or who shall hereafter become chargeable with any tobacco for any of the services mentioned in this act, shall, at their election, discharge the same either in transfer tobacco notes or in specie at the rate of twelve shillings and sixpence for every hundred pounds of gross tobacco.

Tables of fees to be set up.

Sec. 5. That the surveyor of every county shall hereafter cause to be set up in some public place in his office, and there constantly kept, a fair table of his fees herein before mentioned, on pain of forfeiting one hundred pounds; which penalty shall be to the person or persons who shall inform or sue for the same. And if any surveyor who now is or shall hereafter become entitled to fees under this or the said recited act, shall ask or demand of any person whatsoever more than twelve shillings and sixpence per hundred for such tobacco fees, or shall ask or demand larger fees than are allowed by this act, every person so offending shall forfeit and pay ten times the amount of the fees so charged, to the party or parties injured.

Penalty for illegal fees.

Sec. 7. That all the several penalties and forfeitures by this act laid, given, or inflicted, shall and may be recovered with costs, by action of debt or information, in any court of record within this commonwealth wherein such penalty shall
be cognizable; and that all and every other act and acts, clause and clauses heretofore made, for or concerning any matter or thing within the purview of this act, shall be, and are hereby repealed.*

CESSION FROM VIRGINIA.

[In Congress, March 1, 1784, 1st v. L. U. S. p. 472.]

Whereas the General Assembly of Virginia, at their sessions begun on the 20th day of October, 1783, passed an act, entitled "An act to authorise the delegates of this state in Congress, to convey to the United States in Congress assembled, all the right of this commonwealth to the territory northwestward of the river Ohio," in these words following:

"Whereas the Congress of the United States did, by their act of the sixth day of September, in the year one thousand seven hundred and eighty, recommend to the several states in the union, having claims to waste and unappropriated lands in the western country, a liberal cession to the United States, of a portion of their respective claims, for the common benefit of the union: and whereas this commonwealth did, on the second day of January, in the year one thousand seven hundred and eighty-one, yield to the Congress of the United States, for the benefit of the said states, all right, title, and claim, which the said commonwealth had to the territory northwest of the river Ohio, subject to the conditions annexed to the said act of cession. And whereas the United States in Congress assembled have, by their act of

The 6th section declares that every surveyor shall be resident of the county. The 8th section gives persons the right of discharging fees due public officers in tobacco or specie, agreeably to the provisions in the fourth section.
the thirteenth of September last, stipulated the terms on which they agree to accept the cession of this state, should the legislature approve thereof, which terms, although they do not come fully up to the propositions of this commonwealth, are conceived, on the whole, to approach so nearly to them, as to induce this state to accept thereof, in full confidence, that Congress will, in justice to this state, for the liberal cession she hath made, earnestly press upon the other states claiming large tracts of waste and uncultivated territory, the propriety of making cessions equally liberal, for the common benefit and support of the union: Be it enacted by the General Assembly, That it shall and may be lawful for the delegates of this state to the Congress of the United States, or such of them as shall be assembled in Congress, and the said delegates, or such of them so assembled, are hereby fully authorised and empowered, for and on behalf of this state, by proper deeds or instrument in writing, under their hands and seals, to convey, transfer, assign, and make over, unto the United States in Congress assembled, for the benefit of the said states, all right, title, and claim, as well of soil as jurisdiction, which this commonwealth hath to the territory or tract of country within the limits of the Virginia charter, situate, lying, and being, to the northwest of the river Ohio, subject to the terms and conditions contained in the before recited act of Congress of the thirteenth day of September last; that is to say, upon condition that the territory so ceded shall be laid out and formed into states, containing a suitable extent of territory, not less than one hundred, nor more than one hundred and fifty miles square, or as near thereto as circumstances will admit: and that the states so formed shall be distinct republican states, and admitted members of the federal union; having the same rights of sovereignty, freedom, and independence, as the other states.

That the necessary and reasonable expenses incurred by this state, in subduing any British posts, or in maintaining forts and garrisons within, and for the defence, or in acquiring any part of, the territory so ceded or relinquished, shall be fully reimbursed by the United States: and that one commissioner shall be appointed by Congress, one by this commonwealth, and another by those two commissioners, who, or a majority of them, shall be authorised and empowered to adjust and liquidate the account of the necessary and reasonable expenses incurred by this state, which they shall judge to be comprised within the intent and meaning of the act of Congress, of the tenth of October, one thousand seven hundred and eighty, respecting such expenses. That the French and Canadian inhabitants, and other settlers of the Kaskaskias, St. Vincents, and the neighboring villages, who have professed themselves citizens of Virginia, shall have

Expenses by Virginia to be reimbursed.

Certain titles French and Canadian inhabitants, and other settlers of the Kaskaskias, St. Vincents, and the neighboring villages, who have professed themselves citizens of Virginia, shall have
their possessions and titles confirmed to them, and be protected in the enjoyment of their rights and liberties. That a quantity not exceeding one hundred and fifty thousand acres of land, promised by this state, shall be allowed and granted to the then colonel, now general George Rogers Clarke, and to the officers and soldiers of his regiment, who marched with him when the post of Kaskaskia and St. Vincents were reduced; and to the officers and soldiers that have been since incorporated into the said regiment, to be laid off in one tract, the length of which not to exceed double the breadth, in such place, on the northwest side of the Ohio, as a majority of the officers shall choose, and to be afterwards divided among the said officers and soldiers in due proportion, according to the laws of Virginia. That in case the quantity of good land on the southeast side of the Ohio, upon the waters of Cumberland river, and between the Green river and Tennessee river, which have been reserved by law for the Virginia troops, upon continental establishment, should, from the North Carolina line bearing in further upon the Cumberland lands than was expected, prove insufficient for their legal bounties, the deficiency should be made up to the said troops, in good lands, to be laid off between the rivers Scioto and Little Miami, on the northwest side of the river Ohio, in such proportions as have been engaged to them by the laws of Virginia. That all the lands within the territory so ceded to the United States, and not reserved for, or appropriated to, any of the before mentioned purposes, or disposed of in bounties to the officers and soldiers of the American army, shall be considered as a common fund for the use and benefit of such of the United States as have become, or shall become members of the confederation or federal alliance of the said states, Virginia inclusive, according to their usual respective proportions in the general charge and expenditure, and shall be faithfully and bona fide disposed of for that purpose, and for no other use or purpose whatsoever: Provided, That the trust hereby reposed in the delegates of this state, shall not be executed unless three of them at least are present in Congress.

And whereas the said General Assembly, by their resolution of June sixth, one thousand seven hundred and eighty three, had constituted and appointed us, the said Thomas Jefferson, Samuel Hardy, Arthur Lee and James Monroe, delegates to represent the said commonwealth in Congress for one year from the first Monday in November then next following, which resolution remains in full force: Now, therefore, know ye, that we, the said Thomas Jefferson, Samuel Hardy, Arthur Lee, and James Monroe, by virtue of the power and authority committed to us by the act of the said General Assembly of Virginia, before recited; and in the name, and for and on behalf of the said commonwealth, do, by these

And we do also, of our special grace, certain knowledge, and mere motion, give, grant, and confirm, unto the said treasurer and company, and their successors, under the reservations, limitations, and declarations, hereafter expressed, all those lands, countries, and territories, situate, lying, and being, in that part of America called Virginia, from the Point of land, called Cape or Point Comfort, all along the sea coast, to the northward two hundred miles, and from the said Point of Cape Comfort, all along the sea coast, to the southward two hundred miles, and all that space and circuit of land, lying from the sea coast of the precinct aforesaid, up into the land, throughout from sea to sea, west, and northwest; and also all the islands, lying within one hundred miles, along the coast of both seas of the precinct aforesaid.

west of the river Ohio, to and for the uses and purposes and on the conditions of the said recited act. In testimony whereof, we have hereunto subscribed our names and affixed our seals, in Congress, the first day of March, in the year of our Lord one thousand seven hundred and eighty-four, and of the independence of the United States the eighth.

Resolved, That the United States in Congress assembled are ready to receive this deed, whenever the delegates of the state of Virginia are ready to execute the same.

The delegates of Virginia then proceeded and signed, sealed, and delivered the said deed; whereupon Congress came to the following resolution:

The delegates of the commonwealth of Virginia having executed the deed,

Resolved, That the same be recorded and enrolled among the acts of the United States, in Congress assembled.

[Resolutions, in Congress, July 17, 1784; 1 v. L. U. S. p. 572.]

Whereas Congress, on the 13th September, 1783, fixed the terms and conditions upon which they would accept a cession of claims to the western territory from the state of Virginia; and whereas the said state, on the 20th of October, in the same year, agreed to the same terms and conditions, and by her act authorized her delegates in Congress to convey, transfer, and assign, to the United States, the right, title, and claim, of the said state to the lands within her charter, and northwest of the river Ohio, on the terms and conditions proposed by Congress; and the said delegates made a conveyance accordingly on the same conditions; among which conditions is the following, to wit: "That in case the good lands on the southeast side of the Ohio, upon the waters of Cumberland river, and between the Green river and Tennessee river, which have been reserved by law to the Virginia troops upon continental establishment, should, from the North Carolina line bearing in further upon the Cumberland lands than was expected, prove insufficient for their legal bounties, the deficiency should be made up to the said troops in good lands, to be laid off between the river Scioto and Little Miami, on the northwest side of the river Ohio, in such proportions as have been engaged to them by the laws of Virginia:" and whereas, it has not, in any manner, been alleged or stated to Congress, that there is any such deficiency of lands on the southeast side of the Ohio;

Resolved, That the state of Virginia be informed, that Congress consider all locations and surveys which shall be made, by or on account of the said troops, on the said lands between the Scioto and Little Miami, before the said de-
Executive of Va. requested to inform Congress of deficiency.

Resolved, That the executive of the state of Virginia be requested to inform Congress, whether there has been any deficiency of good lands reserved by the laws of that state on the southeast side of the Ohio, for the Virginia troops on continental establishment; and if there has been any deficiency, what is the amount; and also, what checks have been provided by the said state, to prevent the said troops taking up more lands than are actually due to them, in order that measures may immediately be taken for laying off, for the benefit of such troops, a sufficient quantity of good land between the river Scioto and Little Miami, and that Congress may be prepared to dispose of the remaining land between those rivers for the general benefit of the union.

[Act of August 10, 1790, 2 v. L. U. S. p. 179.]

Sec. 1. That the act of Congress of the seventeenth of July, one thousand seven hundred and eighty-eight, relative to certain locations and surveys made by, or on account of, the Virginia troops, on continental establishment, upon lands between the Little Miami and Scioto rivers, northwest of the Ohio, be, and the same is hereby, repealed.

And whereas the agents for such of the troops of the state of Virginia, who served on the continental establishment in the army of the United States, during the late war, have reported to the executive of the said state, that there is not a sufficiency of good land on the southeasterly side of the river Ohio, according to the act of cession from the said state to the United States, and within the limits assigned by the laws of the said state, to satisfy the said troops for the bounty lands due to them, in conformity to the said laws: to the intent, therefore, that the difference between what has already been located for the said troops, on the southeasterly side of the said river, and the aggregate of what is due to the whole of the said troops, may be located on the northwesterly side of the said river, and between the Scioto and Little Miami rivers, as stipulated by the said state:

Sec. 2. That the secretary of the department of war shall make return, to the executive of the state of Virginia, of the names of such of the officers, non-commissioned officers, and privates, of the line of the said state, who served in the army of the United States, on the continental establishment, during the late war, and who, in conformity to the laws of the said state, are entitled to bounty lands; and shall, also, in such return, state the aggregate amount in acres due to the said line by the laws aforesaid.
Sec. 3. That it shall and may be lawful for the said agents to locate, to and for the use of the said troops, between the rivers Scioto and Little Miami, such a number of acres of good land, as shall, together with the number already located between the said two rivers, and the number already located on the southeasterly side of the river Ohio, be equal to the aggregate amount, so to be returned as aforesaid, by the secretary of the department of war.

Sec. 4. That the said agents, as soon as may be after the locations, surveys, and allotments, are made and completed, shall enter, in regular order, in a book to be by them provided for that purpose, the bounds of each location and survey between the said two rivers, annexing the name of the officer, non-commissioned officer, or private, originally entitled to each; which entries being certified by the said agents, or the majority of them, to be true entries, the book containing the same shall be filed in the office of the secretary of state.

Sec. 5. That it shall be lawful for the President of the United States to cause letters patent to be made out, in such words and form as he shall devise and direct, granting to such person, so originally entitled to bounty lands, to his use, and to the use of his heirs or assigns, or his or their legal representative or representatives, his, her, or their heirs or assigns, the lands designated in the said entries: Provided always, That, before the seal of the United States shall be affixed to such letters patent, the secretary of the department of war shall have endorse thereon, that the grantee therein named was originally entitled to such bounty lands, and that he has examined the bounds thereof with the book of entries filed in the office of the secretary of state, and finds the same truly inserted; and every such letters patent shall be countersigned by the secretary of state, and a minute of the date thereof, and of the name of the grantee, shall be entered of record in his office, in a book to be specially provided for the purpose.

Sec. 6. That it shall be the duty of the secretary of state, as soon as may be after the letters patent shall be so completed and entered of record, to transmit the same to the executive of the state of Virginia, to be by them delivered to each grantee; or, in case of his death, or that the right of the grantees shall have been legally transferred before such delivery, then to his legal representative or representatives, or to one of them.

Sec. 7. That no fees shall be charged for such letters patent and record, to the grantees, their heirs or assigns, or to his or their legal representative or representatives.

Sec. 1. That all and every officer and soldier of the Virginia line on continental establishment, his or their heirs or assigns, entitled to bounty lands on the northwest side of the river Ohio, between the Scioto and Little Miami rivers, by the laws of the state of Virginia, and included in the terms of cession of the said state to the United States, shall, on producing the warrant, or a certified copy thereof, and a certificate under the seal of the office where the said warrants are legally kept, that the same, or a part thereof, remains unsatisfied, and on producing the survey, agreeably to the laws of Virginia, for the tract or tracts to which he or they may be entitled, as aforesaid, to the secretary of the department of war, such officer and soldier, his or their heirs, or assigns, shall be entitled to, and receive a patent for, the same from the President of the United States, any thing in any former law to the contrary notwithstanding: Provided, That no letters patent shall be issued for a greater quantity of land than shall appear to remain due on such warrant, and that before the seal of the United States shall be affixed to such letters patent, the secretary of the department of war shall have endorsed thereon, that the grantee therein named, or the person under whom he claims, was originally entitled to such bounty lands, and every such letters patent shall be countersigned by the secretary of state, and a minute of the date thereof, and the name of the grantee, shall be entered of record in his office, in a book to be specially provided for that purpose.

[Act of May 13, 1800, 3 v. L. U. S. p. 393.]

Sec. 1. That it shall be lawful, and the proper officer is hereby authorized, to issue patents on surveys which have been, or may be, made within the territory reserved by the state of Virginia, northwest of the river Ohio, and being part of her cession to Congress, on warrants for military services, issued in pursuance of any resolution of the legislature of that state, previous to the passing of this act, in favor of persons who had served in the Virginia line on the continental establishment: Provided, That the whole quantity of land for which patents shall issue, by virtue of this act, shall not exceed sixty thousand acres; and that the surveys aforesaid shall be completed and deposited in the office of the secretary of war, on or before the first day of December, one thousand eight hundred and three: And provided also, That this act shall not give any force or validity to the entries, locations, or surveys, heretofore made, in pursuance of these.
warrants, so far as such entries, locations, or surveys, interfere in any manner with those of persons claiming the same lands under entries, locations, or surveys, heretofore made, in pursuance of warrants granted by the state of Virginia to the officers and soldiers in the line of that state on continental establishment.

Sec. 2. That in every case of interfering claims, under military warrants, to lands within the territory so reserved by the state of Virginia, when either party to such claims shall lose, or be evicted from, the land, every such party shall have a right, and hereby is authorized, to withdraw his, her, or their warrant, respectively, to the amount of such loss or eviction, and to enter, survey, and patent the same, on any vacant land within the bounds aforesaid, and in the same manner as other warrants may be entered, surveyed, and patented.

[Act of March 3, 1803, 3 v. L. U. S. p. 556.]

Sec. 8. That where any warrants, granted by the state of Virginia for military services, have been surveyed on the northwest side of the river Ohio, between the Scioto and the Little Miami rivers, and the said warrants, or the plats and certificates of survey made thereon, have been lost or destroyed, the persons entitled to the said land may obtain a patent therefor, by producing a certified duplicate of the warrant from the land office of Virginia, or of the plat and certificate of survey from the office of the surveyor in which the same was recorded, and giving satisfactory proof to the secretary of war, by his affidavit, or otherwise, of the loss or destruction of said warrant, or plat and certificate of survey.

Sec. 1. That the line run under the direction of the surveyor general of the United States, from the source of the Little Miami towards the source of the Scioto, and which binds, on the east, the surveys of the lands of the United States, shall, together with its course continued to the Scioto river, be considered and held as the westerly boundary line, north of the source of the Little Miami, of the territory reserved by the state of Virginia, between the Little Miami and Scioto rivers, for the use of the officers and soldiers of the continental line of that state: Provided, That the state of Virginia shall, within two years after the passing of this act, recognise such line as the boundary of the said territory.
Sec. 1. That all and every officer and soldier of the Virginia line on continental establishment, his or their heirs or assigns, entitled to bounty lands on the northwest side of the river Ohio, between the Scioto and Little Miami rivers, by the laws of the state of Virginia, and included in the terms of cession of the said state to the United States, shall, on producing the warrant, or a certified copy thereof, and a certificate under the seal of the office where the said warrants are legally kept, that the same, or a part thereof, remains unsatisfied, and on producing the survey, agreeably to the laws of Virginia, for the tract or tracts to which he or they may be entitled, as aforesaid, to the secretary of the department of war, such officer and soldier, his or their heirs, or assigns, shall be entitled to, and receive a patent for, the same from the President of the United States, any thing in any former law to the contrary notwithstanding: Provided, That no letters patent shall be issued for a greater quantity of land than shall appear to remain due on such warrant, and that before the seal of the United States shall be affixed to such letters patent, the secretary of the department of war shall have endorsed thereon, that the grantee therein named, or the person under whom he claims, was originally entitled to such bounty lands, and every such letters patent shall be countersigned by the secretary of state, and a minute of the date thereof, and the name of the grantee, shall be entered of record in his office, in a book to be specially provided for that purpose.

[Act of May 13, 1800, 3 v. L. U. S. p. 393.]

Sec. 1. That it shall be lawful, and the proper officer is hereby authorized, to issue patents on surveys which have been, or may be, made within the territory reserved by the state of Virginia, northwest of the river Ohio, and being part of her cession to Congress, on warrants for military services, issued in pursuance of any resolution of the legislature of that state, previous to the passing of this act, in favor of persons who had served in the Virginia line on the continental establishment: Provided, That the whole quantity of land for which patents shall issue, by virtue of this act, shall not exceed sixty thousand acres; and that the surveys aforesaid shall be completed and deposited in the office of the secretary of war, on or before the first day of December, one thousand eight hundred and three: And provided also, That this act shall not give any force or validity to the entries, locations, or surveys, heretofore made, in pursuance of these.
warrants, so far as such entries, locations, or surveys, interfere in any manner with those of persons claiming the same lands under entries, locations, or surveys, heretofore made, in pursuance of warrants granted by the state of Virginia to the officers and soldiers in the line of that state on continental establishment.

Sec. 2. That in every case of interfering claims, under military warrants, to lands within the territory so reserved by the state of Virginia, when either party to such claims shall lose, or be evicted from, the land, every such party shall have a right, and hereby is authorized, to withdraw his, her, or their warrant, respectively, to the amount of such loss or eviction, and to enter, survey, and patent the same, on any vacant land within the bounds aforesaid, and in the same manner as other warrants may be entered, surveyed, and patented.

[Act of March 3, 1903, 3 v. L. U. S. p. 556.]

Sec. 3. *The state of Virginia appointed commissioners, who met those of the United States, and a line was run drawn from the source of the Little Miami to the source of the Scioto. This is called Roberts' line. The commissioners appointed by Virginia refused to accede to this line, claiming a still larger tract of land, by running from the source of the Scioto a straight line to the mouth of the L. Miami. The line referred to in the act of March 23, 1804, ante p. 133, is designated upon our maps by Ludlow's line. This line was run under the authority of the Surveyor General, by virtue of the act of May 10, 1800. The lands west were surveyed into sections and parts of sections. The territory between these lines, embracing a large tract of fertile land, was claimed both by purchase and location, and it became a matter of great importance to the parties, to have established, by a judicial decision, the western boundary line of the reservation of Virginia. For this purpose a case was agreed and taken to the Supreme Court of the U. States, by error. The case was decided in 1824, and Roberts' line virtually established. Sec—Doddridge, vs. Thompson & al. 9 Wheaton's Rep. 469.

The court, however, in delivering their opinion, did not advert to the act of April 11, 1818, (1 sec. 15 Com. p. 37) which recognizes Roberts' line as the western boundary of the Virginia Tract "from the Indian boundary line to the source of the Scioto river."
SEC. 1. That the officers and soldiers of the Virginia line on continental establishment, or their legal representatives, to whom land warrants have issued by virtue of any resolution of the legislature of Virginia, as a bounty for services, which, by the laws of Virginia passed prior to the cession of the Northwestern Territory to the United States, entitled such officers or soldiers to bounty lands, and whose location of such warrants shall have been made prior to the twenty-third day of March, one thousand eight hundred and eleven, shall be allowed the further time of two years from the passing of this act to complete their surveys and obtain their patents for the land located as aforesaid: Provided, That surveys shall be made, and patents granted, on the aforesaid locations, under the same regulations, restrictions, and provisions, in every respect, as were prescribed for the making of surveys and granting of patents by the act, entitled "An act authorizing patents to issue for lands located and surveyed by virtue of certain Virginia resolution warrants," passed on the third day of March, one thousand eight hundred and seven.

section of this act, shall be made on tracts of lands for which patents had previously been issued, or which had been previously surveyed; and any patent which may, nevertheless, be obtained for land located contrary to the provisions of this act, shall be considered null and void: Provided also, That no locations or surveys shall be made within that part of the said Military Tract to which the Indian title remained heretofore unextinguished, until after six months shall have elapsed from the date of a proclamation of the President of the United States, declaring a treaty or treaties to have been concluded and ratified, providing for the extinguishment of the Indian title to such lands; nor shall any patent be granted for any location, survey, or entry, that has been, or shall be, made prior to the expiration of six months from and after the ratification of such treaty.

Sec. 3. That from the source of the Little Miami river to the Indian boundary line established by the treaty of Greenville, in one thousand seven hundred and ninety-five, the line designated as the westerly boundary line of the Virginia Tract, by an act of Congress, passed on the twenty-third day of March, one thousand eight hundred and four, entitled "An act to ascertain the boundary of the lands reserved by the state of Virginia northwest of the river Ohio, for the satisfaction of her officers and soldiers on continental establishment, and to limit the period for locating the said lands," shall be considered and held to be such until otherwise directed by law: and from the aforesaid Indian boundary line to the source of the Scioto river, the line run by Charles Roberts, in one thousand eight hundred and twelve, in pursuance of instructions from the commissioners appointed on the part of the United States, to establish the western boundary of the said Military Tract, shall be considered & held to be the westerly boundary line thereof; and that no patent shall be granted on any location and survey that has or may be made west of the aforesaid respective lines.

Sec. 7. Whereas, a part of the town of Marietta, is built on the fractional lot number twenty-nine, in the second township of the eighth range, surveyed agreeably to the ordinance of Congress of the twentieth of May, one thousand seven hundred and eighty-five, granted for Religious purposes as aforesaid; and whereas it is reasonable that those persons who have built or may build valuable houses on the same, should hold the land so built on, by a permanent lease: Be it therefore further enacted, That the said trustees are authorized to lease any part of the lot number twenty-nine, mentioned in this section, except such streets and commons as have been laid out and established as public highways, by the court of general quarter sessions of the peace, for the county of Washington, in the following manner, viz: to any person or persons who have built or may build a dwelling-house, a store-house, a house or houses for any manufactory, of the value of two hundred and fifty dollars, a lot or parcel of ground not to exceed one-third part of an acre: to any person or persons who have built or may build a dwelling-house, a house or houses for any manufactory, of the value of one thousand dollars, a lot or parcel of ground not to exceed two-third parts of an acre, provided the trustees shall deem so much land necessary for such manufactory: to any person or persons who have built or may build a dwelling-house, of the value of two thousand dollars, a lot or parcel of ground not to exceed one acre: Provided always, That the house aforesaid stand upon the lot or parcel to be leased as aforesaid; which lease or leases shall be made for the term of ninety-nine years, and be renewable forever, with a fixed annual rent, not in any case to exceed ten dollars for one-third part of an acre per year, except as is provided in the tenth section of this act, and not in any case to be less than one dollar for one-third part of an acre per year, and in this proportion for any greater or less quantity of ground leased as aforesaid. And it is hereby made the duty of the trustees aforesaid, to regulate the leasing of the lot number twenty-nine aforesaid, by the survey made by the Ohio Company of part of the said lot, in laying out the town of Marietta.

Sec. 8. That any person or persons holding any lot or parcel of ground, by lease or leases as aforesaid, renewable forever, may transfer the same; and the legal evidence of such

Sec. 10. Whereas towns are frequently rendered unhealthy by a crowded population, therefore to impede an evil so calamitous: Be it further enacted, That when any person or persons shall hereafter build on a lot or parcel of ground, not exceeding one-third part of an acre, more than one dwelling-house, or shall hereafter build or add to a dwelling-house, so as to accommodate more than one family, then, and in every such case, such occupant shall annually pay, for each additional dwelling-house or accommodation for a family, as aforesaid, three-fourths of the sum of the annual rent upon the lot, in addition to the annual rent. And it is hereby made the duty of the trustees aforesaid, to insert in every lease by them made, a provision for the purpose of preventing any evasion of this section.

Sec. 11. That the money due for rent, shall be paid by the lessee, to the treasurer of the trustees, the one moiety on or before the thirtieth day of June, annually, and the other moiety on or before the thirty-first day of December, annually; and on failure of the payment of the rent for thirty days after the day of payment, the trustees, may direct their clerk to issue a warrant of distress, directed to a constable of the township, commanding him to levy and collect the rent out of the goods and chattels of the delinquent; and the clerk shall receive twenty-five cents for such warrant; and the constable such fees as are given by law for the like services in other cases, to be collected with the rent: Provided, No goods or chattels can be found of which distress might be made, the trustees are empowered to re-enter upon the land, and the improvement shall be sold at public vendue, to satisfy such rent and costs; in which case, the said trustees shall give ten days public notice of the time and place where the improvements of such land or a part thereof will be sold; and in case the improvements should sell for more than the rent and costs, or there be only a part sold, the overplus, if in money, shall be paid over, and if in lands, shall again be leased to the delinquent.

Be it ordained by the United States in Congress Assembled, That the said territory, for the purposes of temporary government, be one district; subject, however, to be divided into two districts, as future circumstances may, in the opinion of Congress, make it expedient.

And until the governor and judges shall adopt laws as herein after mentioned, estates in the said territory may be devised or bequeathed by wills, in writing, signed and sealed by him or her, in whom the estate may be, (being of full age) and attested by three witnesses; and real estates may be conveyed by lease and release, or bargain and sale, signed, sealed, and delivered, by the person, being of full age, in whom the estate may be, and attested by two witnesses, provided such wills be duly proved, and such conveyances be acknowledged, or the execution thereof, duly proved, and be recorded within one year after proper magistrates, courts, and registers, shall be appointed for that purpose; and personal property may be transferred by delivery; saving, however, to the French and Canadian inhabitants, and other settlers of the Kaskaskies, St. Vincents, and the neighboring villages, who have heretofore
professed themselves citizens of Virginia, their laws and customs now in force among them, relative to the descent and conveyance of property.

*Be it ordained by the authority aforesaid,* That there shall be appointed, from time to time, by Congress, a governor, whose commission shall continue in force for the term of three years, unless sooner revoked by Congress; he shall reside in the district, and have a freehold estate therein, in one thousand acres of land, while in the exercise of his office.

There shall be appointed, from time to time, by Congress, a secretary, whose commission shall continue in force for four years, unless sooner revoked; he shall reside in the district, and have a freehold estate therein, in five hundred acres of land, while in the exercise of his office; it shall be his duty to keep and preserve the acts and laws passed by the legislature, and the public records of the district, and the proceedings of the governor in his executive department; and transmit authentic copies of such acts and proceedings, every six months, to the secretary of Congress: there shall also be appointed a court to consist of three judges, any two of whom to form a court, who shall have a common law jurisdiction, and reside in the district, and have each therein a freehold estate, in five hundred acres of land, while in the exercise of their offices; and their commissions shall continue in force during good behavior.

The governor and judges, or a majority of them, shall adopt and publish in the district, such laws of the original states, criminal and civil, as may be necessary, and best suited to the circumstances of the district, and report them to Congress, from time to time; which laws shall be in force in the district until the organization of the General Assembly therein, unless disapproved of by Congress; but afterwards the legislature shall have authority to alter them as they shall think fit.

The governor for the time being, shall be commander in chief of the militia, appoint and commission all officers in the militia, same, below the rank of general officers; all general officers shall be appointed and commissioned by Congress.

Previous to the organization of the General Assembly, the governor shall appoint such magistrates and other civil officers, in each county or township, as he shall find necessary for the preservation of the peace and good order in the same. After the General Assembly shall be organized, the powers and duties of magistrates and other civil officers shall be regulated and defined by the said Assembly; but all magistrates and other civil officers, not herein otherwise directed, shall, during the continuance of this temporary government, be appointed by the governor.

For the prevention of crimes and injuries, the laws to be adopted or made shall have force in all parts of the district.
and for the execution of process, criminal and civil, the govern-
ernor shall make proper divisions thereof; and he shall pro-
ceed from time to time, as circumstances may require, to lay
out the parts of the district in which the Indian titles shall
have been extinguished, into counties and townships, subject,
however, to such alterations as may thereafter be made by
the legislature.

So soon as there shall be five thousand free male inhabit-
ants, of full age, in the district upon giving proof thereof
to the governor, they shall receive authority, with time and
place, to elect representatives from their counties or town-
ships, to represent them in the General Assembly: Provided,
That, for every five hundred free male inhabitants, there
shall be one representative, and so on, progressively, with the
number of free male inhabitants, shall the right of repre-

amount to twenty-five; after which the number and pro-
portion of representatives shall be regulated by the legisla-
ture: Provided, That no person be eligible or qualified to
act as a representative, unless he shall have been a citizen of
one of the United States three years, and be a resident in
the district, or unless he shall have resided in the district,
three years; and in either case, shall likewise hold in his own
right, in fee simple, two hundred acres of land within the
same: Provided also, That a freehold in fifty acres of land in
the district, having been a citizen of one of the states, and
being resident in the district, or the like freehold and two
years residence in the district, shall be necessary to qualify
a man as an elector of a representative.

The representatives thus elected, shall serve for the term
of two years; and in case of the death of a representative,
or removal from office, the governor shall issue a writ to the
county or township, for which he was a member, to elect
another in his stead, to serve for the residue of the term.

The General Assembly, or legislature, shall consist of the
governor, legislative council, and a house of representatives.

council shall be nominated and appointed in the following
manner, to wit: As soon as representatives shall be elected,
the governor shall appoint a time and place for them to meet
together, and when met, they shall nominate ten persons,
residents in the district, and each possessed of a freehold in
five hundred acres of land, and return their names to Con-
gress; five of whom Congress shall appoint and commission to
serve as aforesaid: and whenever a vacancy shall happen in
the council, by death or removal from office, the house of
representatives shall nominate two persons, qualified as aforesai

one of whom Congress shall appoint and commission for the residue of the term. And every five years, four months at least before the expiration of the time of service of the members of council, the said house shall nominate ten persons, qualified as aforesaid, and return their names to Congress; five of whom Congress shall appoint and commission to serve as members of the council five years, unless sooner removed. And the governor, legislative council, and house of representatives, shall have authority to make laws, in all cases, for the good government of the district, not repugnant to the principles and articles in this ordinance established and declared. And all bills, having passed by a majority in the house, and by a majority in the the council, shall be referred to the governor for his assent; but no bill or legislative act whatever, shall be of any force without his assent. As soon as a legislature shall be formed in the district, the council and house assembled, in one room, shall have authority, by joint ballot, to elect a delegate to Congress, who shall have a seat in Congress, with a right of debating, but not of voting during this temporary government.

And for extending the fundamental principles of civil and religious liberty, which form the basis whereon these republics, their laws, and constitutions, are erected; to fix and establish those principles as the basis of all laws, constitutions, and governments, which forever hereafter shall be formed in the said territory; to provide, also, for the establishment of states, and permanent government therein, and for their admission to a share in the federal councils on an equal footing with the original states, at as early periods as may be consistent with general interest:

It is hereby ordained and declared, by the authority aforesaid, That the following articles shall be considered as articles of compact, between the original states and the people and states in the said territory, and forever remain unalterable, unless by common consent, to wit:

Art. 1. No person, demeaning himself in a peaceable and orderly manner, shall ever be molested on account of his mode of worship or religious sentiments, in the said territory.

MODIFIED CESSION OF VIRGINIA.

Cession of N. W. Territory modified.

Sec. 1. Whereas the United States in Congress assembled, did on the seventh day of July, in the year of our Lord one thousand seven hundred and eighty-six, state certain reasons shewing that a division of the territory which hath been ceded to the said United States by this commonwealth into states, in conformity to the terms of cession, should the same be adhered to, would be attended with many inconveniences, and did recommend a revision of the act of cession, so far as to empower Congress to make such a division of the said territory into distinct and republican states, not more than five, nor less than three in number, as the situation of that country, and future circumstances might require.

And the said United States in Congress assembled, hath, in an ordinance for the government of the territory northwest of the river Ohio, passed on the thirteenth of July, one thousand seven hundred and eighty-seven, declared the following as one of the articles of compact between the original states and the people and states in the said territory, viz: [Here the 5th article of the ordinance of July 13, 1787, is recited.]—And it is expedient that this commonwealth do assent to the proposed alteration, so as to ratify and confirm the said article of compact between the original states and the people and states in the said territory: Be it therefore enacted by the General Assembly, That the afore recited article of compact between the original states and the people, and states in the territory northwest of [the] Ohio river, be, and the same is, hereby ratified and confirmed; any thing to the contrary, in the deed of cession of the said territory by the United States, notwithstanding.

[Act of December 21, 1801, 1 sess. 2 G. A. T. p. 130.]

An act declaring the assent of the territory northwest of the river Ohio, to an alteration in the ordinance for the government thereof.

(Preamble.)

Sec. 1. That as soon as the Congress of the United States July 13, 1787, shall declare their assent thereto, the aforesaid ordinance for the government of the territory northwest of the river
Ohio, done by the United States in Congress assembled, on the thirteenth day of July, in the year of our Lord one thousand seven hundred and eighty-seven, and of their sovereignty and independence, the twelfth, shall be altered so far as the same relates to the boundaries of the three states that are first hereafter to be erected in the said territory, and in the stead thereof, the boundaries of the said states shall be fixed and established as follows, to wit: The western state in the said territory shall be bounded by the Mississippi, the Ohio, and line beginning at a point on the Ohio river, where the same is intersected by the western boundary of the land granted to General George Rogers Clark, and the officers and soldiers of his regiment; thence running directly to the head of Chickagua river; thence by the said river to lake Michigan; thence by a line drawn due north to the territorial line between the United States and Canada; and by the said territorial line to the Lake of the Woods and the Mississippi.

The middle state shall be bounded by the eastern boundary of the aforesaid western state, by the Ohio river to the mouth of the Scioto river, by the Scioto river to the Indian boundary line, as established in the treaty of Greenville; by a direct line drawn from thence to the southwest corner of the Connecticut Reserve; thence by a line due north to the territorial line, and by the said territorial line.

The eastern state shall be bounded by the said eastern boundary of the middle state; by the Ohio to the Pennsylvania line; by the Pennsylvania line to the territorial line, and by the said territorial line.

Provided always, That nothing herein contained shall be intended to annul or in any way to affect the authority of Congress to form one or two states in that part of the said territory which lies north of an east line drawn through the southerly bend of lake Michigan.

[Ordinance and Resolution passed in Convention, November 29, 1802, 21 v. L. O. p. 44.]

That all the lands which may hereafter be purchased of the Indian tribes, by the United States, and lying within the state of Ohio, the one thirty-sixth part, shall be given as aforesaid, for the support of public schools.*

An act to empower the trustees named in the last will and testament of Doctor William Burnet, the elder, to dispose of certain lands.

Whereas Doctor William Burnet, the elder, late of Newark, in the county of Essex, and state of New Jersey, in and by his last will and testament, dated the twenty-third day of September, A.D. one thousand seven hundred and ninety-one, did give, devise and bequeath unto the Rev. Alexander Macwharton, John Chetwood and Elias Boudinot, the share and proportion of his estate, intended for Hannah Kinney, his daughter, in fee, in trust, nevertheless, and to and for the intent and purpose, and the said trustees are, in and by the said last will and testament, among other things, directed to pay the rents, issues and profits thereof, yearly and every year, to the sole receipt and order of the said Hannah, for and during her natural life, and at her decease to such child or children of her's, which she shall order and direct, in writing, under her hand and seal, in her life time.

And also whereas it appears to the General Assembly, by the joint petition of Abraham Kinney and the aforesaid Hannah, his wife, Jacob Burnet, Daniel Thew and Elizabeth, his wife, who are surviving children and devisees of the said William Burnet, deceased, and Alexander Macwharton, John Chetwood and Elias Boudinot, trustees as aforesaid, that the said trustees are now in possession of the real estate, devised as aforesaid, and among other parts of divers tracts of land, situated, lying and being within the tract of land purchased by the hon. John Cleves Symmes, of the United States, and particularly mentioned in a patent to him, and his associates, from the President of the United States, on the river Ohio, and between the Great and Little Miami rivers, in the territory northwest of the river Ohio; that the said tracts are not only wholly unproductive but are exposed to the actual expenditure of considerable sums of money.

annually, for the payment of taxes, &c. which may eventually absorb the value of the said property; that the property thus left to the said Hannah, is not equal to the comfortable maintenance and education of her children, unless the whole thereof is rendered as productive as the nature of the same will admit of; that if the said property be left in its present state, the cautious provision of the said testator will, in a great measure, be defeated; and that the said petitioners request of the legislature, that the said trustees, or such other persons as the legislature may, in their wisdom, think fit to nominate and appoint, may be authorized, by law, to dispose of the real estate of the said Hannah, in the territory aforesaid, for the most money that may be had for the same, and to give a good and sufficient conveyance therefor, on conditions of their vesting the nett proceeds of such sale, in some productive public stock of the United States, or of some well established bank in the United States, to remain under their care and trust, for the uses and purposes mentioned in the said last will and testament of the said William Burnet, in the like manner as the said real estate was limited and appointed:

Sec. 2. That the aforesaid committee, in making partition of the aforesaid lands, shall be governed by the provisions of the act, entitled “An act to provide for the partition of real estates;” and shall make return of such partition to the supreme court for the counties within which such lands are situated; and the clerks of said court shall record the same in the records of the court, which partition, when thus recorded, shall be binding upon the parties concerned. And the aforesaid committee shall make an appraisement of each tract of land by them divided, which shall be returned and recorded together with the aforesaid partition.

Sec. 3. That Mary L. Olmsted, Levi Goodwin and Caleb Goodwin, be, and they are hereby appointed, a board of trustees for the purposes herein after specified. And the said trustees, before entering upon their trust, shall give bond, with security, to the acceptance of the supreme court, in double the appraised value of all of said lands, conditioned for the faithful performance of said trust, which bond shall be made payable to the governor of this state, for the time being, and to his successor in office; and shall be deposited in the office of such clerk of the supreme court, as such court shall direct, for the benefit and security of the parties concerned.

Sec. 4. That the aforesaid trustees, or a majority of them, may, and they are hereby empowered to sell and convey all or any part of the aforesaid lands, after the same shall have been divided in the manner aforesaid, either for cash or on such length of credit as they shall deem most beneficial for the devisees aforesaid, not exceeding five years, with interest, annually, and on approved security: Provided, That none of the aforesaid lands shall be sold for less than their appraised value, except so much thereof as shall be necessary to remove incumbrances; and the said trustees may, if they think proper, lease any part of said land for a term not exceeding ten years.

Sec. 5. That the trustees aforesaid, shall apply the first proceeds from the sale of said lands, to the payment of taxes and removing such incumbrances as said lands may be subject to; and the principal sum arising from such sale, after
making the disbursements aforesaid, shall, by said trustees, be vested in bank stock, stock of the United States, or in such other productive property or funds as shall be deemed secure and most beneficial for the said devisees; and the interest or profit arising therefrom, shall be applied, from time to time, as the same is received, to the use and benefit of such of said devisees from whose property the same is derived.

And the supreme court shall have power to remove any of said trustees for neglect of duty or misconduct in the execution of their trust; and the said trustees shall annually render an account of the trust to the supreme court.

Sec. 7. That whenever, and as often as said trustees shall produce to the supreme court, an official certificate from any court of probate, or any other court of record, within the state of Connecticut, other than a justice of the peace, certifying that they have vested any sum of money, the avails of said lands, in bank stock, stock of the United States, or any other safe and productive property, of which such court shall approve, in trust for the benefit of said devisees or such of them from whose land such money shall have been derived; and that said trustees have given bonds to the acceptance of such court, conditioned for the faithful discharge of their trust, so far as it respects the property so by them purchased, in trust as aforesaid, it shall be deemed good accounting to the supreme court of this state for the amount so certified, and shall so far discharge them from their bonds given to the governor of this state.

Sec. 8. That in case of the death of either of said devisees, his share of said estate, whether in the lands aforesaid or other property, derived from the sale thereof, shall descend to his legal representatives in the same manner as other similar property; and the trust estate and entailment, so far as respects the share of such deceased devisee, shall thenceforth cease, and the estate become absolute in such representatives: Provided, That if any such deceased devisee shall leave a widow, the trust estate or entailment shall not cease as it respects her dower therein, but shall continue during her life; and she shall be entitled to receive the interest, rents or profits arising therefrom, and after her death the same shall descend in manner aforesaid.

Sec. 3. That certified copies of the records, so made as aforesaid, shall be admitted as legal evidence in all courts of judicature in this state, in all cases where the original field notes aforesaid would be legal evidence.

But before any such sale be made, the sheriff or other officer, shall cause so many writings to be made upon parchment, or good paper, as the debtor or defendant shall reasonably desire or request; or so many, without such request, as may be sufficient to signify and give notice of such sales or vendues, and of the day and hour when, and the place where the same will be, and what lands or tenements are to be so sold, and where they lie: which notice shall be given to the defendant, and the said parchments or papers fixed by the sheriff, or other officers, in the most public places of the county, at least ten days before sale. And upon such sale, the sheriff, or other officer, shall make return thereof, endorsed or annexed to the said levari facias; and give the buyer a deed, duly executed and acknowledged, in court, for what is sold. But in case the said lands and hereditaments, so to be exposed, cannot be sold; then the officer shall make return upon the writ, that he exposed such lands or tenements to sale, and the same remained in his hands unsold, for want of buyers: which return shall not make the officer liable to answer the debt or damages contained in such writ; but the writ of levari facias shall, forthwith be awarded and directed to the proper officer, commanding him to deliver to the party such part or parts of those lands, tenements and hereditaments, as shall satisfy his debt, damages and interest, from the time of the judgment given, with costs of suit, according to the valuation of twelve men; to hold to him as his free tenement in satisfaction of his debt, damages and costs, or so much thereof as those lands, by the valuation thereof as aforesaid, shall amount unto; and if it fall short, the party may afterwards have execution for the residue against the defendant's body, lands or goods, as the laws of this territory shall direct and appoint, from time to time, concerning other executions. All which said lands, tenements, hereditaments and premises, so as aforesaid to be sold or delivered by the sheriff or officer aforesaid, with all their appurtenances, shall or may be quietly and peaceably held and enjoyed by the person or persons, or bodies politic, to whom
the same shall be sold or delivered, and by his and their heirs, successors and assigns, as fully and amply, and for such estate and estates, and under such rents and services, as he or they, for whose debt or duty the same shall be sold or delivered, might, could or ought to do, at or before, the taking thereof in execution.

Sec. 5. Provided always, That the messuage, lands or tenements upon which the defendant is chiefly seated, shall not be exposed to sale, before the expiration of one whole year, after judgment is given; to the intent, that the defendant, or any other for him, may redeem the same.

Sec. 6. Where default or defaults have been, or shall be, made or suffered by any mortgagor or mortgagors of lands, tenements, or other hereditaments within this territory; or by his, her or their heirs, executors, administrators and assigns, of or in payment of the mortgage money, or performance of the condition or conditions which they or any of them, should have paid or performed, or ought to pay or perform, in such manner and form, and according to the purport, tenor and effect of the respective provisos, conditions or covenants, comprised in their deeds of mortgage or defeasance, and at the days, times and places, in the same deeds, respectively, mentioned and contained; in every such case it shall and may be lawful to and for the mortgagee or mortgagors, and him, her or them that grant the said deeds of defeasance, and his or their heirs, executors, administrators or assigns, any time after the expiration of twelve months, next ensuing the last day whereon the said mortgage money ought to be paid, or other conditions performed, as aforesaid; to sue forth a writ or writs of scire facias; which the clerk of the court of common pleas, for the county where the said mortgaged lands or hereditaments lie, is hereby empowered and required to make out and despatch, directed to the proper officer; requiring him, by honest and lawful men of the neighborhood, to make known to the mortgagor or mortgagors, his, her or their heirs, executors or administrators, that he or they be and appear before the magistrates, judges or justices of the said court or courts, to shew, if any thing he or they have to say, wherefore the said mortgaged premises ought not to be seized and taken in execution, for payment of the said mortgage money, with interest; or to satisfy the damages which the plaintiff in such scire facias, shall, upon the record, suggest for the breach or non-performance of the said conditions. And if the defendant in such scire facias appear, he or she may plead satisfaction or payment of part, or all, the mortgage money, or any other lawful plea, in avoidance of the deed or debt, as the case may require: but if the defendants in such scire facias will not appear on the day whereon the same writ shall be made returnable, then, if the case be such as damages, only, are
shall enquire, to be recovered, an inquest shall be forthwith charged to enquire thereof; and the definitive judgment therein, as well as all other judgments to be given upon such scire facias, shall be entered, that the plaintiff in the scire facias shall have execution, by levari facias, directed to the proper officer: by virtue whereof, the said mortgaged premises shall be taken in execution, and exposed to sale, in manner aforesaid; and, upon sale, conveyed to the buyer or buyers thereof, and the money, or price of the same, rendered to the mortgagee or creditor; but, for want of buyers, to be delivered to the mortgagee, or creditor, in manner and form as is herein above directed, concerning other lands and hereditaments to be sold or delivered upon executions, for other debts or damages. And when the said lands and hereditaments shall be sold, or delivered, as aforesaid, the person or persons to whom they shall be sold or delivered, shall and may hold and enjoy the same, with their appurtenances, for such estate or estates as they were sold or delivered, clearly discharged and freed from all equity and benefit of redemption, and all other incumbrances made or suffered by the mortgagors, their heirs or assigns: and such sales shall be available in law: and the respective vendees, mortgagees, or creditors, their heirs and assigns, shall hold and enjoy the same freed and discharged, as aforesaid. But before such sales be made, notice shall be given, in writing, in manner and form as is herein above directed, concerning the sales of lands upon executions; any law or usage, to the contrary notwithstanding.

Sec. 7. Provided also, That when any of the said lands, tenements or hereditaments, which, by the direction and authority of this law, are to be sold for the payment of debts and damages, in manner aforesaid, shall be sold for more than will satisfy the same debts, or damages, and reasonable costs; then the sheriff, or other officer who shall make the sale, must render the overplus to the debtor or defendant; and then and not before, the said officer shall be discharged thereof, upon record, in the same court where he shall make return of his proceedings concerning the said sales.

Sec. 8. Provided also, That no sale or delivery which shall be made, by virtue of this law, shall be extended to create any further term or estate to the vendees, mortgagees or creditors, than the lands or hereditaments, so sold or delivered, shall appear to be mortgaged for, by the said respective mortgages or defeasible deeds.

Sec. 9. Provided also, That if any of the said judgments, which do or shall warrant the awarding of the said writ of execution whereupon any lands, tenements or hereditaments, have been or shall be sold, shall, at any time hereafter, be reversed for any error or errors; then, and in every such case, none of the said lands, tenements or hereditaments, so,
as aforesaid taken or sold, or to be taken or sold upon executions, nor any part thereof, shall be restored; nor the sheriff's sale or delivery thereof avoided; but restitution, in such cases, shall be made only of the money or price for which such lands were or shall be sold.

Sec. 9. That the sheriff or other officer, who levies upon any goods and chattels, shall, before he proceeds to sell the same, cause public notice to be given of the time and place of sale, either by publishing the same in a gazette, printed within his county, or by advertising the same in three of the public places within his county, at least ten days before such sale, one of which advertisements shall be in the township in which such sale is to be made; and no lands, tenements or real estate shall be exposed to sale on any writ of execution, until public notice, by advertisement, shall have been given of the time and place of such sale, in some newspaper printed within the county, or in five public places within the county, two of which shall be in the township in which the said lands, tenements and real estate may lie, at least thirty days before such sale, and if any sale shall be made by the sheriff or other officer, in either case, without notice having been given as aforesaid, the officer making such sale, shall be liable to the action of the defendant and of every other person injured thereby.

Intended partition to be published.

Sec. 1. Any one or more of the proprietors of any tract or tracts, parcel or parcels of land which now are, or hereafter may be undivided, incline to have partition thereof, may subscribe a writing, and publish the same in one or more of the public newspapers printed in the territory, in the state of Kentucky, and at the seat of government of the United States, for twelve successive weeks, directed in general to all persons interested in such tract or parcel of land, specifying the bounds thereof, and giving notice that three commissioners not interested in such tract or parcel of land, naming them and their places of abode, are appointed to make such partition, and that they will meet at a certain day and place to be also therein mentioned, and to be within ten days after the said twelve weeks are expired, to proceed to the partition of the said lands, and requiring all persons interested therein, to attend then and there for that purpose, either by themselves or their attorneys; and if no objection to any of the said commissioners be offered in writing to any one of the judges of the general court, or justices of the inferior court of common pleas of the county in which the greatest part of the lands lie, and a notice of such objection, in writing, served upon the subscriber or subscribers to the notice so directed to be published, or any one of them, and within nine weeks after the first publication thereof, then the commissioners so to be named shall perform the duties required of them by this act. general court, or before any of the justices of any infe-

bounds of every allotment and lot shall be made, and the
several allotments and lots laid down and numbered on the
said map, and then signed by the said commissioners, one of
which said field books and maps shall be filed in the office
of the clerk of the county where the greatest part of the lands
lay, and the other in the secretary's office of the territory;
which when done, the said commissioners shall cause an
advertisement to be published for at least six weeks in one
or more of the newspapers printed in the territory, in the
state of Kentucky and at the seat of government of the
United States, notifying the filing of the field books and
maps in the office, and appointing a particular time and

the said six weeks, and requiring all persons interested then

of the justices of the inferior court of common pleas of the
county in which the greater part of the lands lie, not inte-

lots in the other allotment or allotments, if more than one,
until the whole drawing is completed: and the lot in each

Commissioners may sell part and make a deed to purchaser.

Commissioners not to be purchasers.

_Sec. 3._ The said commissioners or any two of them, shall within one year next after drawing or balloting the lots aforesaid, proceed to sell that part of the tract which was set apart to defray the expense of the partition, at public vendue, to the highest bidder; whereof six weeks public notice shall be previously given in one of the said newspapers; and their deed to the purchaser shall pass as good a title to such bidder, for the separate enjoyment of the same, as if all the patentees or proprietors of the said land had made and executed the same in due form of law.

_Sec. 4._ Provided always, That no commissioner or commissioners, or any other person in trust for him or them, shall become purchasers of the said land so to be sold, or of any part thereof. And of the whole charge attending such partition, the commissioners shall keep and state a particular account, and lay the same before one or more of the judges of the general court or one or more justices of the inferior court of common pleas of the county where the greatest part of the lands lie; who are hereby empowered and required to appoint some proper person or persons to audit the same, after fourteen days notice given in writing by the said commissioners to any three of the proprietors, of the time and place of auditing the said accounts, that they may be heard in objecting to the same. And out of the monies arising by such sale, the commissioners may retain so much as the said auditor or auditors, or the major part of them shall certify to be due to them for their services and disbursements in completing the said partition; and the surplus if any there is, shall be divided into equal parts according to the number of patentees or proprietors, as aforesaid, and be paid to them or those holding under them; and the receipt of the said patentees or proprietors as aforesaid, or of any person holding under a patentee shall be a sufficient discharge to the said commissioners for the share of such patentees or proprietors.
Sec. 5. And whereas joint tenants, tenants in common, and joint tenants, coparceners of particular lots or parcels of land so divided, or of other lands held in joint tenancy, coparcenary, or in common may be inclined to have partition thereof; that partition may be made thereof, and be as valid, and the expense of the same defrayed in the same manner as the partition of other lands are before directed; the proprietors, in such further or other partition being considered as the patentees are in the partition above prescribed.

Sec. 6. In case of the partition of any patents or tracts of land on which improvements have hertofore been made by any owner or proprietor, or by any person or persons, by consent of any owner or owners, proprietor or proprietors be taken, of any such patents or tracts of land, the person or persons to whose shares such parcels of improved lands shall fall upon a partition of such patents or tracts of land, shall, before he or they be permitted to the possession of the same, pay the respective possessor or possessors thereof, the value of the improvements made thereon: and in order to settle and ascertain the value of such improvements, the said commissioners are hereby fully authorized, empowered and directed, at the request of the party or parties to whom such parcel or parcels of improved lands shall, upon such partition as aforesaid, appertain, issue their precept to the sheriff of the county in which the lands lie, commanding him to summon twelve freeholders having the proper and legal qualifications of jurors, to attend the said commissioners on the premises, at a day to be appointed in the said precept, not exceeding thirty days after the date thereof, to assess the value of such improvements, at which day and place the said commissioners shall swear the said freeholders, well and truly to enquire into and assess the value of the said improvements, and then shall proceed with their assistance in a summary manner, to enquire into and assess the same, and make duplicates of such their inquisitions and assessments under their hands and seals, and the hands and seals of the said freeholders; one of which said duplicates shall be delivered to each of the parties: and in case the possessor of possessors of such improved lands, shall not within thirty days next after a tender to him or them made of the assessed value by the person or persons to whom the said improved lands shall, upon such partition as aforesaid belong, peaceably and quietly deliver up to him or them, the possession of the same, the said commissioners or any or either of them may issue a precept, in writing, under the hands and seals of them the said commissioners or the hands and seals of any or either of them, to the sheriff of the county in which such improved lands respectively lie.
commanding him to put the person or persons to whom such improved lands shall upon such partition belong, into full and peaceable possession of the same: Provided always, That the costs, charges and expenses attending, as well on such assessment as aforesaid as on the putting of the party or parties into the possession of such improved lands, shall be estimated according to the regulations herein after prescribed, and shall be paid by the respective possessor or possessors of such improved lands, and on his, her or their refusal to pay the same, shall be levied on his, her or their goods and chattels by warrant under the hands and seals of the said commissioners, or the hand and seal of any one or more of them, directed to the said sheriff of the county wherein such improved lands respectively lie, who is hereby required to perform that service.

Sec. 7. And inasmuch as the said commissioners, in such further or other partition, may, through the great number of proprietors and rights, proceed upon a mistake, either by supposing them too few or too many: therefore if any lot or lots shall be set off and drawn for any person having no title to the lands to be divided, such lot or lots shall be considered as lands still undivided; and if no lot or lots shall be set off and drawn for any person having title, nothing herein shall be construed to defeat such title: Provided nevertheless, That the partition shall be considered as fully completed, to all intents and purposes, between all and every the other proprietors of the said lands.

Sec. 8. If any of the commissioners so to be appointed to make any partition by virtue of this act, shall die before the same is completed, their powers shall vest in, and be exercised by the survivors or survivor of them.

Sec. 9. One of the said commissioners shall be sworn as surveyor, previous to the said survey to be performed (or if the people called Quakers, shall make affirmation) to perform the same truly and impartially, and accordingly execute the duties of surveyor: which said oath or affirmation, either of the other two commissioners are hereby empowered to administer, and which oath or affirmation shall be entered in the minutes of their proceedings, and certified by the other two commissioners, and that one other of the said commissioners shall act as clerk, and as such shall take minutes of all their proceedings.

Sec. 10. In case the said commissioner, being a surveyor as aforesaid, shall die before the survey be completed, or through sickness or some other cause be rendered incapable to complete the same, that in such case the surviving commissioner or commissioners shall and may thereupon nominate, appoint and qualify another surveyor to carry on and complete the same. Or in case either of the said commissioners be a surveyor, he shall and may be qualified and act

Sec. 11. Whereas many small estates held in common require a more easy and less expensive mode for the division thereof, than that which is herein before provided; whereas any such lands, tenements, or hereditaments shall be held in common, it shall and may be lawful for the court of common pleas in the county where such lands shall be, upon the application of one or more of the owners or proprietors of such lands, tenements and hereditaments, for partition thereof, if being proved to the satisfaction of the court that the value of the said lands, tenements and hereditaments do not exceed twelve thousand dollars, to appoint three reputable freeholders of the county, commissioners for that purpose, affidavit being first made before the court, by the person or persons making such application, that the other owners or proprietors residing within the state, or the guardians of such owners or proprietors as are minors, have had thirty days previous notice of his or their intention of making such application; and the commissioners so to be appointed, after they shall have been duly sworn before one of the justices of the court of common pleas in such county, honestly and impartially to execute the trust reposed in them respectively as commissioners for making partition of the lands, tenements and hereditaments as directed by the court, shall proceed to make partition of the said lands, tenements and hereditaments, among the owners and proprietors thereof, according to their respective rights therein; which partition being made by the said commissioners, or any two of them, and a return being made, thereof in writing, under their hands and seals, to the court, particularly describing the lots allotted to each respective owner or proprietor, and mentioning which of the owners or proprietors are minors, if any such there shall be; which return, being acknowledged by the said commissioners, or any two of them, before one of the justices of such court, and accepted by the court, and entered of

Sec. 12. Provided always, That where any houses and lots are so circumstanced that a division thereof cannot be made without great prejudice to the owners or proprietors of the same, and the commissioners appointed to make partition of the same shall so report to the court if it shall then appear to the court that such houses and lots do not exceed in value the sum of eight thousand dollars, the court shall thereupon give orders to the said commissioners to sell such house and lot or houses and lots of land, at public vendue, and shall make and execute good and sufficient conveyances to the purchaser or purchasers thereof, which shall operate as an effectual bar, both in law and equity, against such owners, proprietors, and all persons claiming under them; and the monies arising therefrom to pay to the owners, or proprietors of such houses and lots of land, their guardians or legal representatives, as shall be directed in the said order, retaining in their hands, for their services and expenses, such sum as shall be allowed by the court; and the said commissioners, on a division of lands, tenements and hereditaments, by order of the court as aforesaid, shall be allowed such sum as the court shall award for their services and expenses, to be paid by the owners or proprietors of the lands, tenements and hereditaments so divided, in proportion to their respective rights therein; and in case of the neglect or refusal of any of the owners or proprietors to pay his, her or their proportion of the sum so awarded, the court shall order so much of the lands tenements and hereditaments allotted to such owner or proprietor so refusing or neglecting, to be sold at public vendue, as will be sufficient to pay his or her proportion of the sum awarded by the court, together with the costs of such sale: And provided also, That no division or sale shall be made by order of the court as above directed, contrary to the intention of any testator, as expressed in his last will and testament.

Classes and rates, cleared prairie or wood land, the following sums according to the following classes: the land shall be divided into three classes according to their quality, that is to say, first, second and third rate, taking into view the surface of the earth as well as the quality of the soil: the first rate shall be taxed at thirty cents, the second rate at twenty cents, and the third rate at ten cents per hundred acres, and in the same proportion for a greater or less quantity; which taxes shall be assessed, collected and paid annually into the county treasury, in the same manner, and by the same commissioners, assessors, collectors and constables, who are appointed, qualified and authorized for fiscal purposes, by a law of the territory for raising county rates and levies, and the money, when raised, shall be appropriated for the same purposes, by the same agents, and under the same regulations as monies raised by the law for raising county rates and levies.

Sec. 2. And the following rule shall be observed in rating any tract of land: where a greater part of a tract shall be superior in point of quality to second rate land, it shall be denominated first rate; where a greater part of a tract shall be inferior to first rate and superior to third rate, in point of quality, it shall be denominated second rate; and where the greater part of a tract of land shall inferior to second rate it shall be denominated third rate land; and any tract or tracts of land that the owner has no knowledge of and cannot give
satisfactory information thereof, shall be placed in the second class.

Sec. 3. When any person thinks any tract or tracts of land, belonging to him or her, are placed in an improper class or the land twice or improperly listed, it shall be lawful for such person, upon application, to the court of general quarter sessions of the peace of the county in which the lands lie, and making due proof of the same, to have the matter rectified, and the proper class of such tract or tracts ascertained or error corrected; and where any lands shall be classed in an inferior class to what it ought to be, on due proof thereof, to the court of quarter sessions of the county in which the land lies, or in which it is listed, the said court shall have the same rectified and placed in the proper class, which alteration shall be certified by the clerk of the sessions to the commissioners and assessors, and they shall be governed accordingly.

Sec. 5. In case of delinquency in the payment of these taxes, in the ordinary way and time pointed out by said law for raising county rates and levies, it shall be lawful for the collector, on his receiving a warrant for the purpose from the court of quarter sessions, to sell at public auction so much of each tract of land charged with taxes, as will raise a sum of money sufficient to pay the same if the said lands shall lie in his township; and the collector shall in that case advertise the land by imaginary metes and bounds where it lies, the time and place of sale for at least twenty days previous to the sale, at the door of the house where the general quarter sessions are held and during one term of the court, and also in three public places in his proper township; the vendue shall be fair in open day and the land struck off to the highest bidder who shall be able to pay down the money. After such sale, it shall it shall be the duty of such collector to deliver to the purchaser a certificate of the quantity of land sold, describing therein the part that was charged with the tax and the corner or side by courses and distances from which the quantity sold is to be taken; and the sheriff of the county upon receipt of such certificate shall convey the same land to the purchaser, by deed in due form of law executed, which conveyance shall vest in the purchaser all the right, title and interest of the proprietor for whose tax the land shall be sold, and in consideration of law shall also vest the possession of the land in the purchaser.
Sec. 6. And where any tract of land, or part thereof, is not sold upon being exposed as aforesaid, and the tax on the same not paid, it shall be the duty of the collector to advertise and expose the same to sale, in like manner as to time and place as aforesaid, at every court of quarter sessions, until the land sell or the tax be otherwise paid; and the taxes due on all lands exposed to sale as aforesaid, and on all other lands on which the taxes are not paid, within the time prescribed by law, shall bear an interest of ten per centum per annum, until the whole of the taxes due thereon are paid; and no sheriff or collector or their deputies shall directly or indirectly purchase any land that shall be exposed to sale for the payment of taxes: Provided however, That this law shall not extend to unpatented lands, which are or ever have been the property of the United States, nor to any lands appropriated to certain public uses, excepting the donation land granted by Congress to individuals situate in the counties of Knox, St. Clair and Randolph.

Sec. 12. That the sheriff or collector of each county shall, from and after the first day of August, annually, collect and receive from all and every person or persons chargeable therewith, the taxes imposed by this act, in his said county; and in case payment be not made or recovered, on or before the first day of October, annually, the said sheriff or collector, as the case may be, shall have power to restrain the goods and chattels of the person or persons so indebted or failing, and if the owner thereof does not pay the taxes within twenty days after such distress, such sheriff or collector shall sell the same, or so much thereof as shall be sufficient to discharge the said taxes, and the charges of the said distress; and the sale thereof shall be for ready money, or auditor's warrants on the treasury of this territory, and shall return the overplus, if any there be, to the owner: Provided always, That when unreasonable seizures or distress is made, the party grieved shall have an action against the sheriff or collector and shall recover full costs, when any damages are given. The sheriff or collector shall duly account for and pay into the treasury of the territory, on or before the thirty-first day of December, annually, the full amount of all taxes imposed in his county, deducting therefrom such allowance as the law directs to be made, and the amount of interest which he may have received, together with six per centum for his commission thereon: and in case any sheriff or collector shall fail to account for and pay into the treasury, as aforesaid, the amount of taxes to be collected by him, according to this act, every such delinquent sheriff or collector and his securities, or either of them, shall be liable to a judgment against them, on motion to be made by the auditor, or other person for him, in any court of record within the county where such delinquent sheriff or collector resides: Provided, They have ten days notice of the day on which the motion is to be made, for the amount of the taxes due, and fifteen per centum damages, together with an interest of six per centum on the whole amount until paid, and the costs of the motion, including any expense that may have accrued in giving the said notice, for the use of the territory, and thereupon execution shall issue accordingly.

land sold, describing therein the tract that was charged with Certificate to the tax, and the end or side from which the quantity sold was taken, which shall always be laid off as nearly in a square as the situation will admit of. And the surveyor of the county on the receipt of such certificate, shall by himself or deputy, proceed to survey the quantity sold as aforesaid, agreeably to the said certificate and charge the purchaser with the expense of the same. The surveyor or his deputy, as the case may be, shall give notice to the former owner, if in the county, or his agent, if any he has therein, of the day on which the survey is to be made. And upon the plat and certificate of survey being presented to the sheriff or collector, it shall be his duty to convey the same to the purchaser, by deed, in due form of law executed, which conveyance shall vest in the purchaser all the right, title and interest of the proprietors; and in consideration of law shall also vest the possession of the land in the purchaser: Provided always, That nothing herein contained shall extend, or be construed to extend to bar the right, or equity of redemption, which any infant, person non compos mentis, or in captivity, may have in the land so sold, provided the taxes and charges thereon, with interest, and an equitable compensation for improvements thereon made, be tendered within one year after such disability be removed.

If upon execution being issued against any sheriff in the manner aforementioned, and it shall be returned that there was no effects, or not a sufficiency whereof to levy the whole of the said execution, the securities shall be liable to a judgment against them, on motion to be made by the territorial auditor, in any court of record within the territory, for the sum which shall appear to remain due on the said execution, together with the costs of the motion, as di-
rected in case of a judgment against a sheriff, and the said bond shall not be void on the first recovery, but may be moved on from time to time, until the whole sum of the penalty of such bond shall be recovered thereon. And on any motion to be made on such bond, an attested copy thereof shall be admitted in evidence. And if the sheriff of any county shall neglect or refuse to give such bond, a collector of the tax shall be appointed for that county by the court of quarter sessions, who shall continue in office for one year. And the said collector shall give bond, perform such duties, be entitled to such emoluments, subject to such penalties, and be liable to have such proceedings carried on against him and his securities, as is above directed in the case of a sheriff.

Sec. 16. That when any non-resident fails to pay to the treasurer the tax and interest due on any tract of land, on or before the said month of August, annually, the auditor shall at the same time when he transmits to the several clerks of the counties the amount of lands entered in his office, certify to the several sheriffs or collectors, as the case may be, such failure of payment, stating particularly the amount of the taxes due thereon; and also, at the same time, advertise the same in one of the gazettes of this territory, for four weeks successively; whereupon the sheriff or collector shall, forthwith after receiving such list, proceed to advertise on the court-house door of his proper county, the said tracts of land on which the tax is due, stating the amount thereof, and that he shall proceed to make sale of the same to satisfy said taxes, unless the same shall be paid on or before the first Monday in November, or so much thereof as will pay the taxes and expenses attending the sale; and the said sheriff or collector shall advertise the same in four different public places within the county, and if the amount of taxes is not paid on or before the time before mentioned, the sheriff or collector shall proceed to sell each tract, or so much thereof, as will amount to the taxes and interest, with legal costs. And when any tract, or part thereof, be sold, the sheriff or collector shall proceed in the same manner to have the same conveyed to the purchaser, as directed in case of residents; and it shall not be lawful for the sheriff or collector, or their deputies, directly or indirectly, to purchase any land sold under this section.

An act supplementary to the act, entitled "An act levying a territorial tax on land," and providing for a territorial tax for the year one thousand eight hundred and one.

Sec. 1. That the further sale of the lands of non-resident proprietors, for the payment of taxes under the act aforesaid, be, and the same is hereby, suspended and postponed until the twentieth day of March next; and the sheriffs or collectors shall then proceed, from day to day, to sell the lands whereon the taxes are unpaid, agreeably to the provisions in the aforesaid act, until the taxes are paid, or the lands sold, except as is herein after excepted, by the second section of this act: Provided nevertheless, That nothing in this act contained, shall be so construed as to affect or render void any sale of non-resident's land for taxes already made, or which shall be made at any time before the sheriff or col-
lector making such sale, shall receive information of the passing of this act; any thing herein contained to the contrary notwithstanding.

Sec. 16. That there shall be paid within this territory, a tax on land subject to taxation, for the year one thousand eight hundred and one, as follows, to wit: on every hundred acres of land of the first rate, fifty-five cents; on every hundred acres of land of the second rate, thirty-five cents, and on every hundred acres of land of the third rate, seventeen cents; and in the same proportion for a greater or less quantity.

Sec. 21. This act, together with such parts of the afore recited act as are not repealed by the alterations and provisions of this act, shall continue, and be in force, from and after the passing hereof, until the first day of March, in the year of our Lord, one thousand eight hundred and two, and for the purpose of collecting taxes that may before that time be imposed under this or the above recited act, but for no other purpose; it shall continue in force till all such taxes are collected and no longer.

[Act of December, 1801, 1 sess. 2 G. A. T. p. 172.]

An act to postpone the sale of lands for taxes in the counties of Trumbull, Jefferson and Wayne.

Whereas it appears to the General Assembly, that the acts levying a territorial tax on land, were not received in the county of Trumbull in season to enable the court of general quarter sessions of the peace for said county, to adopt the necessary measures for carrying the said acts into effect, whereby the lands lying in the said county have unavoidably become subject to be sold for the taxes.
due thereon; and it has become the duty of the collector of the said county to expose the said lands for sale, or to suffer the penalties imposed in the said acts: Therefore, to relieve the said county and to give further time to carry the said acts into effect.

Sec. 1. That the sales of the lands of resident and non-resident proprietors, lying within the county of Trumbull, for taxes due and arising, under the act, entitled "An act for levying a territorial tax on land," and the act, entitled "An act supplementary to the act, entitled "An act levying a territorial tax on land," and providing for a territorial tax for the year one thousand eight hundred and one," shall be, and the same are hereby suspended, until the first day of June next, after which day the sheriff or collector of the said county shall, without further delay, proceed, according to law, to enforce the collection of the said taxes, so far as the same shall remain unpaid; and it shall be the duty of the collector to demand and receive an interest at the rate of ten per centum per annum, and no more, on all taxes by him received after the first day of December, one thousand eight hundred and one, any thing in any former law to the contrary notwithstanding: and whereas the appointment of collectors of the territorial taxes, for the counties of Jefferson and Wayne, was procrastinated to a period too late to admit proprietors of land in those counties to a fair opportunity of discharging their taxes within the time allowed by law: Therefore,

Sec. 2. That the collectors of the taxes aforesaid for the counties of Jefferson and Wayne, be, and they are hereby authorized and required to postpone the sale of the lands for taxes, within the said counties, until the first day of March next, after which day the said collectors shall proceed to enforce the collection thereof, together with an interest of ten per centum per annum, from the first day of September last past, in manner as directed in the preceding section.

Preamble. Whereas it has been represented to this General Assembly, that James Kerr, deceased, in his life time contracted with Nathaniel Massie, esq. for the purchase of one hundred acres of land, on the waters of the Scioto river, in the county of Ross; eighty acres of which never have been conveyed to the said James, in his life time, or to his assignee: Whereas it has been further represented, as aforesaid, that the said James has since died intestate, without leaving any heirs at law, to whom the said eighty acres, or the right thereto, can vest: Whereas it is further represented, as aforesaid, that the said Drusilla Kerr, as administratrix of the rights and credits, goods and chattels of the said James, deceased, is possessed of the bond alleged to have been regularly executed by the said Nathaniel Massie, esq. by which he is compellable to make a conveyance of said land to the said James, deceased, or his legal heirs: And whereas it has been further represented to this General Assembly, that the said Drusilla is not in eligible pecuniary circumstances, and by her own industrious exertions, principally enabled the said James, in his life time, to make said purchase: Therefore,
Sec. 1. That the right of this state to the property and right to land estate, in and to said eighty acres of land, accruing by reason of the defect of any heir, capable in law to inherit the said land of the said James, be, and the same hereby is vested in the said Drusilla Kerr, and her heirs and assigns forever.

Sec. 2. That the said Drusilla, or her legal representatives, be, and she or they hereby are authorized and empowered to demand and receive of the said Nathaniel Massie, such deed or deeds, of conveyance of the said land, as by the said bond the said James, were he now alive, could of right and according to law, demand and have of the said Nathaniel or his legal representatives, and to give therefor such complete and perfect release, as by the said bond the said Nathaniel, could require of said James, were he now alive: Provided, That the said Drusilla, or her heirs, do, or cause to be done and performed, all such conditions, as by virtue of said bond, the said James or his heirs, would have been required to do or perform, were the said James now alive, or had he heirs capable in law, to inherit his estate: And provided, That nothing herein contained shall be so construed as to disinherit, deprive, or take from any heir or heirs, at law, capable to receive real estate of the said James, deceased, by descent or inheritance, his, her or their right to the premises, in possession of the said Drusilla Kerr, her heirs or assigns; but such heir or heirs, if any such should appear, and sufficiently and in due time prove his, her or their descent from or kindred to said James, by due course of law, may have the same right as against the said Drusilla, her heirs and assigns, to compel to such heir or heirs, a conveyance of the inheritance, (saving to the said Drusilla, her right of dower, and a due allowance for any money she may advance, and every other equitable right, she or her heirs or assigns, may have in relation to the subject,) as such heir or heirs would have had against the said Nathaniel Massie, or his legal representatives, had this act never been passed: And provided also, That nothing in this act contained shall be so construed as to bar, destroy or injure the right or rights of any creditor or creditors, of the said James Kerr, deceased, from considering the said land as assets, either in law or equity, for the payment of the just debts of the deceased, if any such there be.
An act vesting the legal title to certain lands, in Henry Lee, executor of the last will and testament of Arthur Fox, deceased.

Therefore, in order that the last will and testament of the said Arthur Fox, may be carried into effect.

Sec. 1. That the legal title to one thousand four hundred acres of land, situated in Adams county, on [the] waters of Straight creek, being survey No. 1287, patented to Samuel Hopkins, and by him conveyed to the heirs of the said Arthur Fox, generally by deed, bearing date the twenty-seventh day of May, eighteen hundred: also, one other tract of one thousand acres of land, situated in the county of Adams aforesaid, on [the] waters of the Cherry Fork of Brush creek, being survey No. 1024, patented to John Winston, and by the heirs of the said Winston conveyed, specially, to the heirs of the said Arthur Fox, by deed, bearing date the thirteenth of April, eighteen hundred and eight, be, and the same is hereby, vested in Henry Lee, executor of the last will and testament of the said Arthur Fox, deceased, in trust, for the uses and purposes expressed in the said last will and testament, so far only as respects the right of Arthur Fox and Matilda, infants, under the age of twenty-one years.

[January 9, 1789, 1 v. L. U. S. p. 393.]

Articles of a treaty made at fort Harmar, between Arthur St. Clair, governor of the territory of the United States, northwest of the river Ohio, and commissioner plenipotentiary of the United States of America, for removing all causes of controversy, regulating trade, and settling boundaries, with the Indian nations in the northern department, of the one part; and the sachems and warriors of the Wyandot, Delaware, Ottawa, Chippewa, Pattawatima, and Sac nations, on the other part.

Treaty of Fort

Art. 2. And whereas, at the before mentioned treaty, it was agreed between the United States and said nations, that a boundary line should be fixed between the lands of those nations and the territory of the United States, which boundary is as follows, viz: beginning at the mouth of Cuyahoga river, and running thence up the said river to the portage between that and the Tuscarawas branch of Muskingum, then down the said branch to the forks at the crossing place above fort Lawrence; thence westerly to the portage on that branch of the Big Miami river which runs into the Ohio, at the mouth of which branch the fort stood which was taken by the French in the year of our Lord one thousand seven hundred and fifty-two; then along the said portage to the Great Miami or Otie river, and down the southeast side of the same to its mouth; thence along the southern shore of lake Erie to the mouth of Cuyahoga, where it began. And the said Wyandot, Delaware, Ottawa, and Chippewa nations, for and in consideration of the peace then granted to them by the said United States, and the presents they then received, as well as of a quantity of goods to the value of six thousand dollars, now delivered to them by the said Arthur St. Clair, the receipt whereof they do hereby acknowledge, do, by these presents, renew and confirm the said boundary line; to the end that the same may remain as a division line between the lands of the United States of America and the lands of said nations, forever. And the undersigned Indians, do hereby, in their own names, and the names of their respective nations and tribes, their heirs and descendants, for the consideration above mentioned, release, quit claim, relinquish, and cede to the said United States, all the land east, south, and west, of the lines above described, so far as

*Art. 10, of this treaty, stipulates for the distribution of goods amongst the different tribes; but the value is not specified.
the said Indians, form the district to exed to the district

merly stood; and two miles square upon each side of the
Lower Rapids, on Sandusky river: which posts, and the
lands annexed to them, shall be for the use and under
the government of the United States.

Art. 15. And whereas, in describing the boundary before
mentioned, the words, if strictly constructed, would carry it
from the portage on that branch of the Miami which runs in
to the Ohio, over to the river Auglaize; which was neither
the intention of the Indians, nor of the commissioners; it is
hereby declared, that the line shall run from the said portage
directly to the first fork of the Miami river, which is to the
southward and eastward of the Miami village; thence down
the main branch of the Miami river to the said village, and
thence down that river to Lake Erie, and along the margin of
the lake to the place of beginning.

the war, the said Indian tribes do hereby cede and relin-
quish forever, all their claims to the lands lying castwardly
and southwardly of the general boundary line now described;
and these lands, or any part of them, shall never hereafter be
made a cause or pretence, on the part of the said tribes,
or any of them, of war or injury to the United States, or
any of the people thereof.
